Cal-E-Grants

A Partnership between ETP and CWDB – An Online Grant Management Solution

ETP
Employment Training Panel

CALIFORNIA
Workforce Development Board

Demonstration Sessions
For
Workforce Accelerator Fund (Accelerator) Grant – Application Submittal

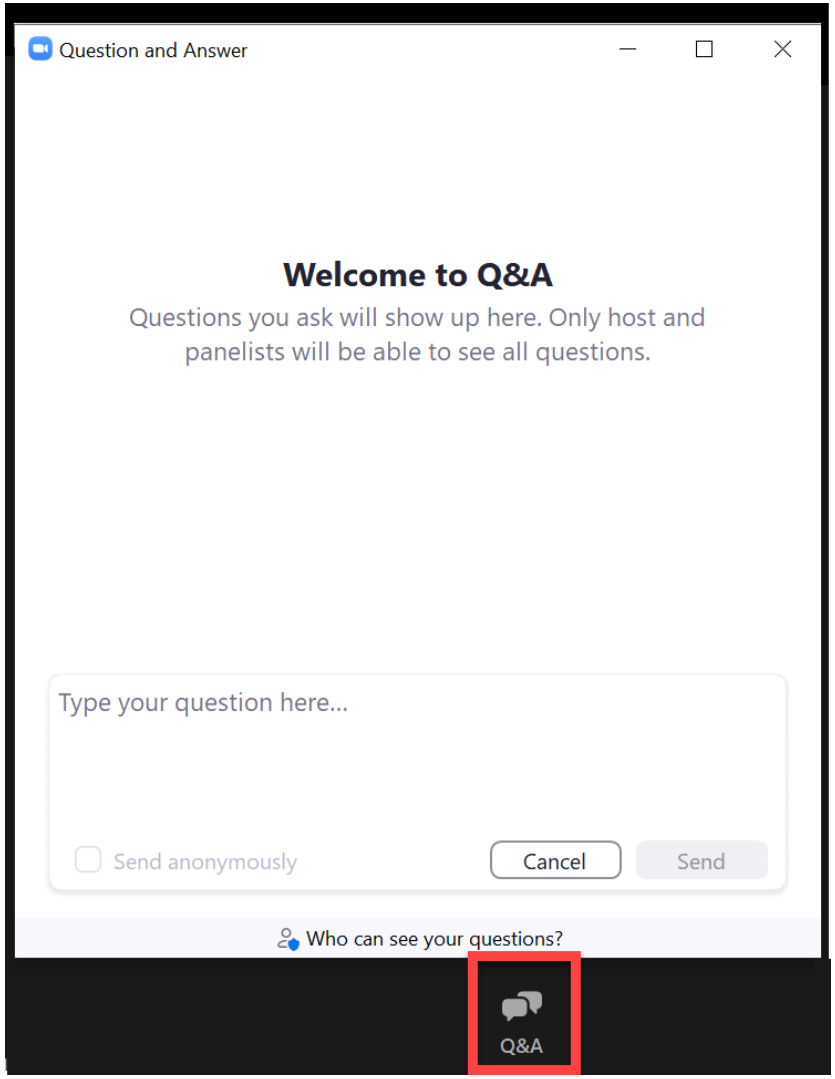
Focus:
Cal-E-Grants Stakeholder Registration and Application Submittal Screens for the Accelerator

Marked – Controlled Distribution

November 10, 2021 – 1:00pm to 2:30pm

Meeting Structure

- Using Zoom – instructions for access were e-mailed when you registered
  - Ask a question through Zoom
  - It will not be recorded
- Format: Blocked 1.5 hours
  - Introduction and Static Walk Through will take approximately 1 hour
  - Allows time for questions throughout
  - 10 minute introduction to Cal-E-Grants
- Materials will be posted on the CWDB website
- Note: Specific program questions will not be answered during this sessions.
  - CWDB has scheduled specific sessions to answer questions on the Accelerator Grant
  - These are posted on the CWDB website
  - Additional questions or inquiries can also be emailed WAF@cwdb.ca.gov



Use, reproduction, or distribution without the express consent is prohibited.

Welcome

- Welcome to the Cal-E-Grants First Release Cycle
  - For stakeholders to submit an online Workforce Accelerator Fund (Accelerator) Grant Application
  - Project Partnership
    - This is a joint project between Employment Training Panel (ETP) and the California Workforce Development Broad (CWDB)
    - It is part of the larger ETP Cal-E-Force System
    - Various Grants will be supported by this application for both ETP and CWDB
    - Access will be through a common Grants portal
- ETP Participants for the Session
  - Facilitator: Babette Davis
  - Business and System Owner: Danielle Vienna and Myisha Lampkin
  - Tour Presentation and Webinar Coordinator: Alayna Mollick or Amina Nasufovic
  - Executive Representative: Joelle Hurst
- What will happen after these sessions?
  - Training – Same content but in the live system on Monday, November 15, 2021 - 1:30pm to 3:00pm PST
  - Release of reference materials – following training on November 15, 2021. Will be posted on the CWDB web site
  - Information and Q&A Session on November 18, 2021 – 1:00pm to 2:30pm PST

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

Session Goals

Current Efforts

- Cover Registration and Application features used by stakeholders
- Review
  - How to Register
  - Status and Navigation Bars
  - How to get to the Cal-E-Grants Accelerator application path
  - How to Complete the Accelerator Grant Application
- User Support – Once Launched
  - Will be via sending an email to WAF@cwdb.ca.gov
  - System issues will be directed to the Cal-E-Force Support team from CWDB Accelerator team
  - May received an email from ETPCalEForce@etp.ca.gov related to system issues – like password resets

Long Term

- The Accelerator Application mirrors the paper version
  - Few changes
  - Goal keep it simple to transition to
- ETP & CWDB will continue to refine Cal-E-Grants over time
- Will update stakeholder features as approved by ETP & CWDB executives or needed to support program changes
- Will Address and Communicate:
  - Upcoming events
  - Production Availability
  - Support processes for users in production

Use, reproduction, or distribution without the express consent is prohibited.

Cal-E-Grants Support Key Functions

Full Process – Back and Forth from Stakeholder to CWDB Staff

Stakeholder Functions

Registration → Application Submittal → Contract Execution & Performance → Submittal for Payments

Staff Primary Functions

Application Review → Contract Oversight & Monitoring → Financial Processing & Management → Reporting & Close Out

Auditing

Focus of these Sessions

Use, reproduction, or distribution without the express consent is prohibited.

Why Salesforce

The benefits of the Salesforce Technology For Cal-E-Force and Cal-E-Grants

- The platform is scalable and provides full cloud-computing capability
- Supports customized applications
- Provides for standard look and feel screen layout to allow for rapid deployment
- Stable and accessible platform for contract data
- Provides features required of a State of California IT System – Cal-E-Force and Cal-E-Grants is hosted in the Government Cloud
- Provides built-in infrastructure for security, hardware, and connectivity

Current Information on User Browser Support and Other Features is Available on Salesforce Web site

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

What We Heard from Stakeholders

Registration and Log In

- Have an entry point for each aspect of Cal-E-Force and now Cal-E-Grants
- Simple log in process
- Easy to navigate, with quick links
- Link to/from the ETP and/or CWDB website
- What is the Registration Process?
  - The Salesforce platform is flexible and provide simple user interface
  - Has key state security features for authentication
  - New Users will registration from the website – this allow links to critical program information for prospective applicants (Coming Soon)

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

Screen Walk-through of Application Functionality

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

User Registration, Login & Navigation

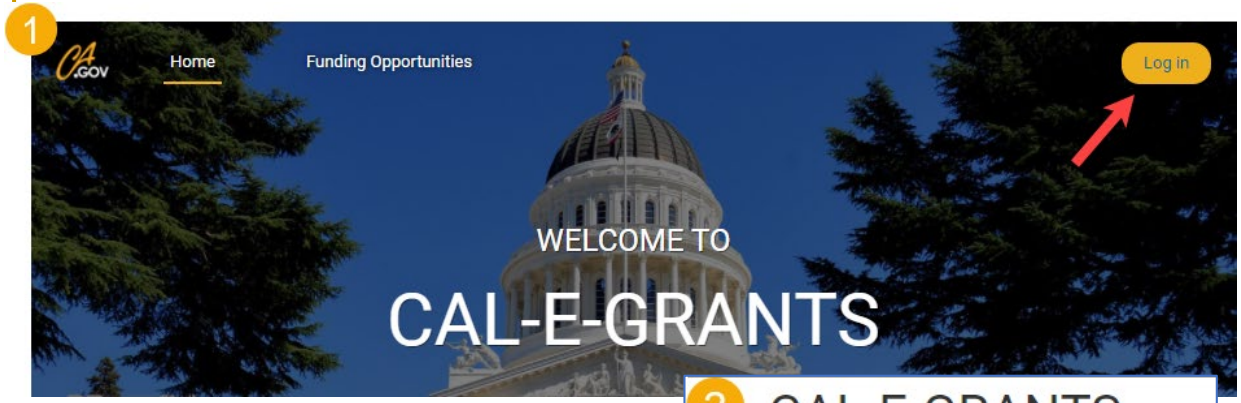
4 Areas

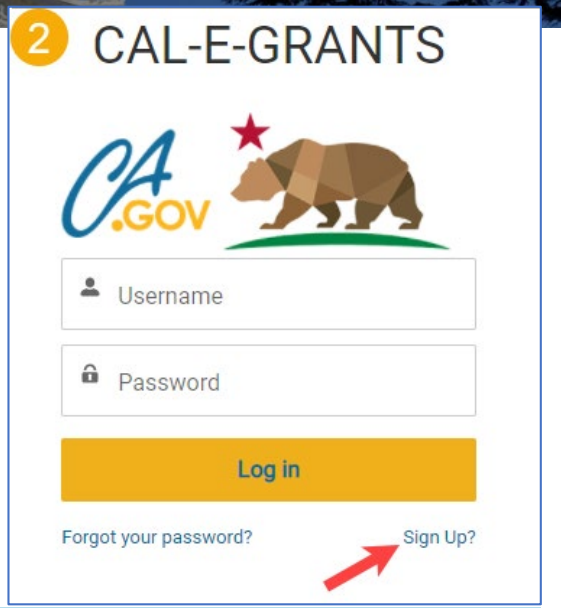
Highlights

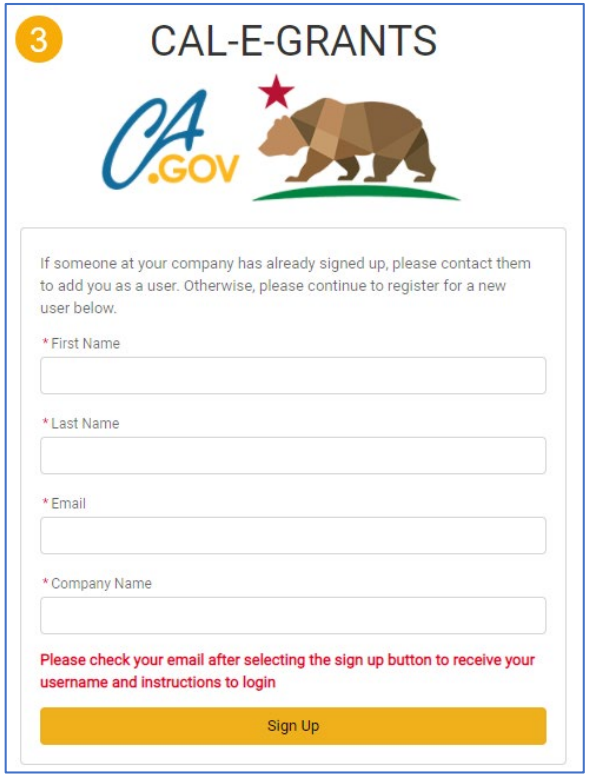
- Login / New User Registration
- Managing Users
- Landing Page
- Funding Opportunities

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

Login / New User Registration (1 of 2)







- ✓ Simple login process
- ✓ Ability for new users to register

Use, reproduction, or distribution without the express consent is prohibited.

Login / New User Registration (2 of 2)

4 Welcome to CAL E-GRANTS

Hi Alayna,

Welcome to Cal-E-Grants!

You have successfully registered for an ETP account within the Cal-E-Grants system. Please go to the ETP Cal-E-Grants Login page access your account. If you are an administrator, you can also add additional system users.

Username: test.contact@test.com

To get started, go to https://caetp.force.com/calegrants/login?c=OHSn3i83OXfDFPadcYUkIoz4iGA1hVSlzoSY6wEmH0zBAriZYKXjyrhbH78yf659L6mEgwx2J%2BLpY0U6x7vBTjGzjPCZjEG%2F13Z7%2B5baf2ETDOtxjdpDk%2Fl8W%2BvNDO9b8vuuOXjyoAhiHGFGp32s4EBevZYFnvOCZh0EjRiHW0Ebrq0w6MvlkGcjGklsbEMFAOg%3D

For assistance with the Cal-E-Grants system, please check out our general information and support materials. You may also contact the Cal-E-Grants command center via email at etpcaleforce@etp.ca.gov.

Thank you,
California Employment Training Panel

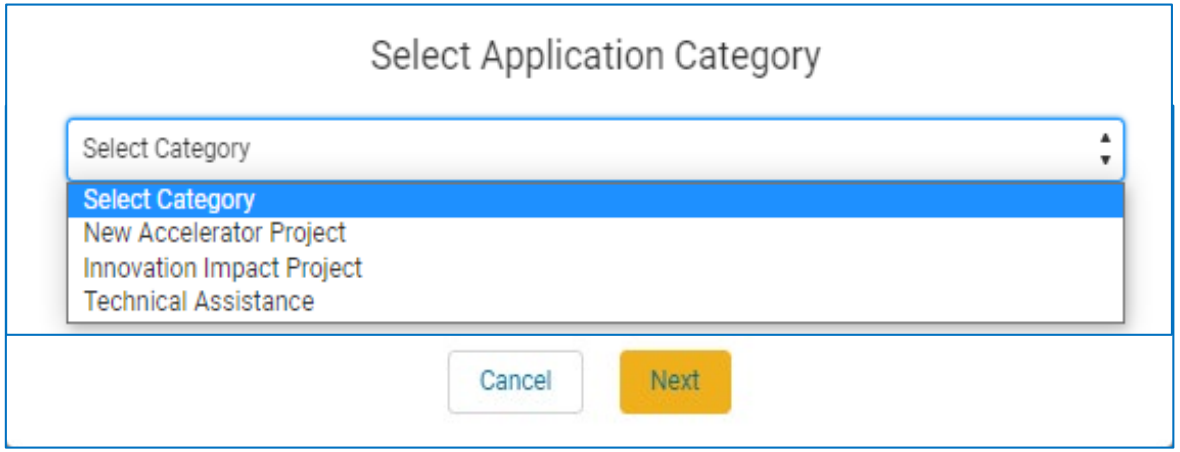
Complete the Application

14 Areas to be Covered

- Application Category
- Cover Page
- Status & Navigation
- WIOA Title 1 Declaration
- Narrative
- Deliverables
- Expend Plan
- Budget Narrative
- Supplemental Budget
- Budget Summary
- Work Plan
- Partner R&R
- Participant Plan
- Files

Use, reproduction, or distribution without the express consent is prohibited.

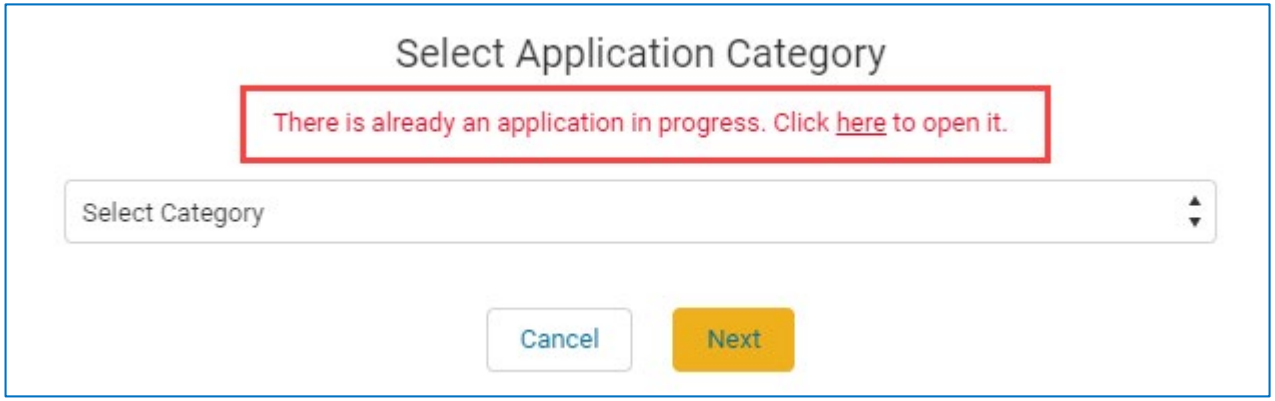
Application Category (1 of 2)



- Three applications categories to choose from
  - ✓ New Accelerator Project
  - ✓ Innovation Impact Project
  - ✓ Technical Assistance
- Commonalities between each Grant – but are standalone submittals
- This presentation will be for the screens of the New Accelerator Project

Use, reproduction, or distribution without the express consent is prohibited.

Application Category (2 of 2)



- ✓ Allows for dynamic management of application drafts for the three accelerator categories.
- ✓ A user can have 1 draft of each Accelerator category
- ✓ If user attempts to start another applications, an error message will appear
- ✓ Allows the user to "link" to the in process application

Use, reproduction, or distribution without the express consent is prohibited.

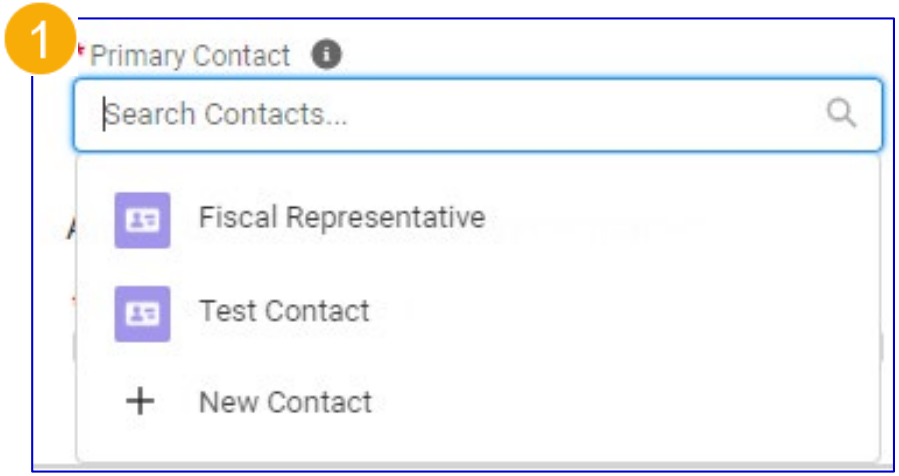
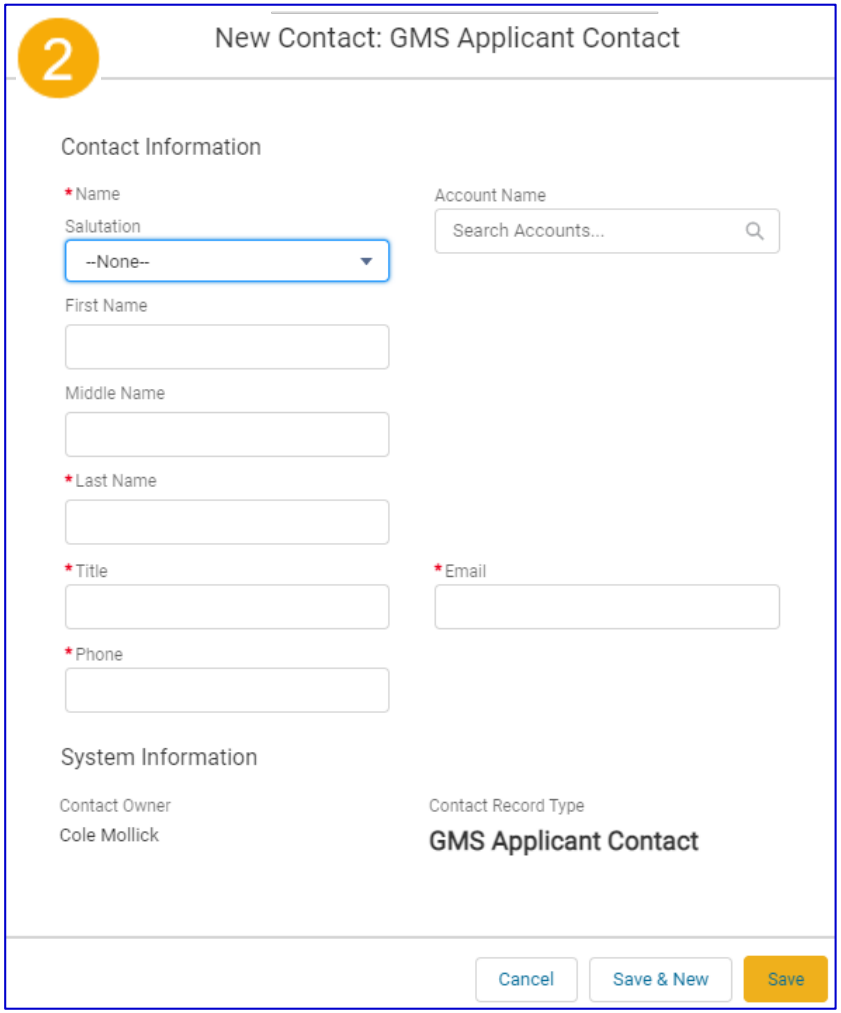
- ✓ Required fields noted with a red asterisk (*)
- ✓ Help bubbles added throughout for extra assistance

Use, reproduction, or distribution without the express consent is prohibited.

Cover Page (2 of 2)

Adding Contacts





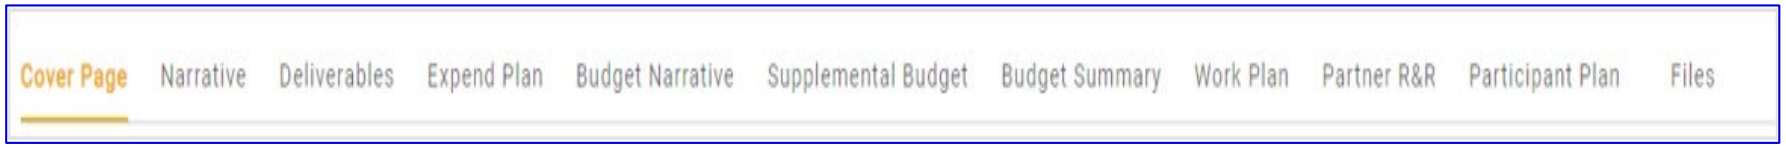
- ✓ Ability to search from a database of already existing users linked to the account
- ✓ If contact does not exist in the Cal-E-Grants system, ability to create new contact record
- ✓ Fill in required fields and click **Save** to create contact

Use, reproduction, or distribution without the express consent is prohibited.

Status & Navigation Bars

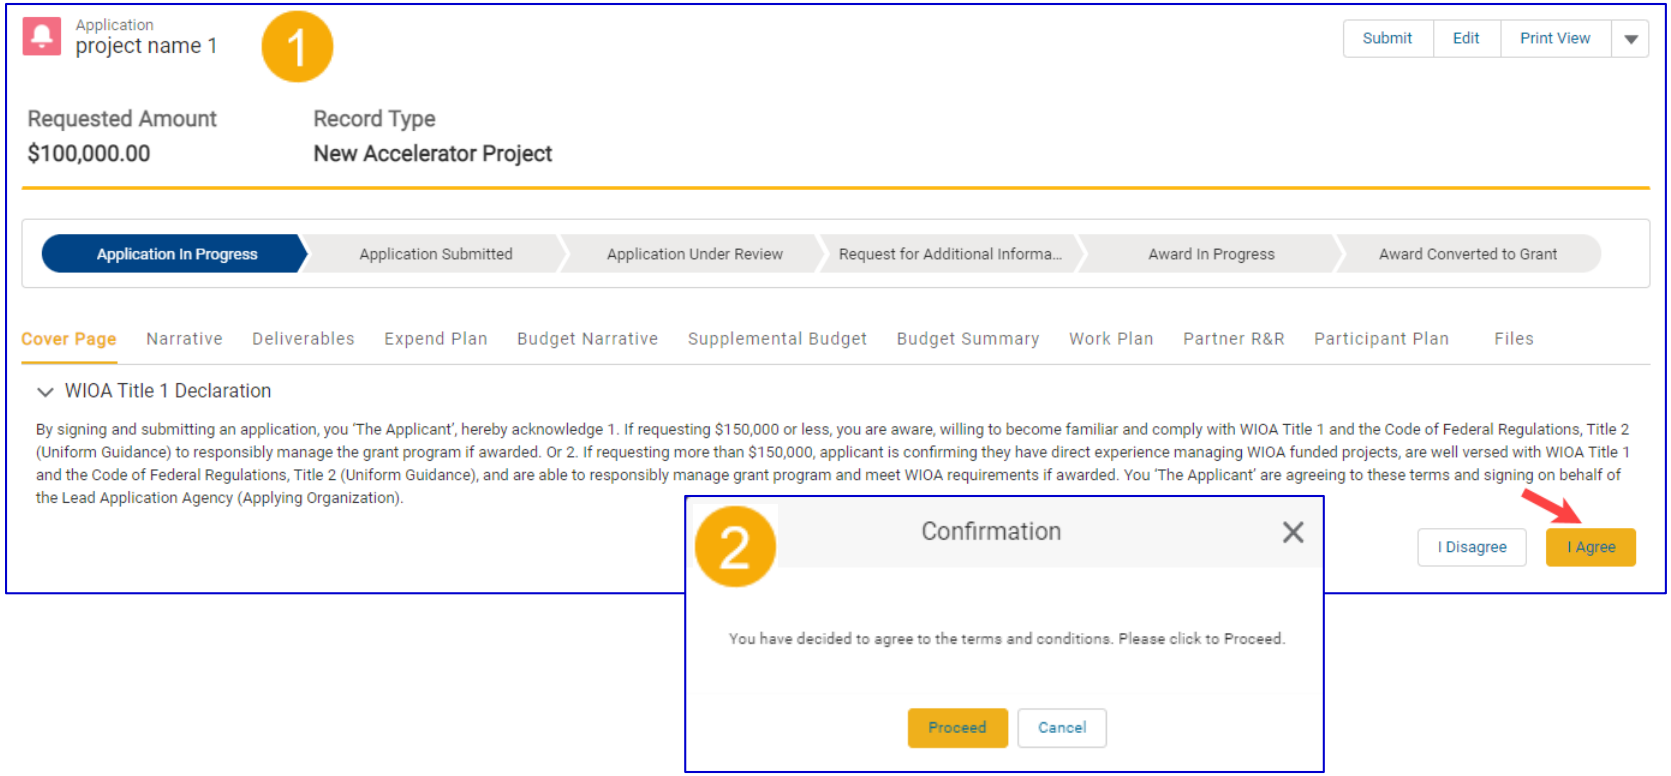
- ✓ Status bar displays what Phase the application is in
- ✓ When working in the Application to submit – it will remain on the first phase

- ✓ Sections of the Application are displayed
- ✓ Users can use the navigation bar to access specific areas of application



Use, reproduction, or distribution without the express consent is prohibited.

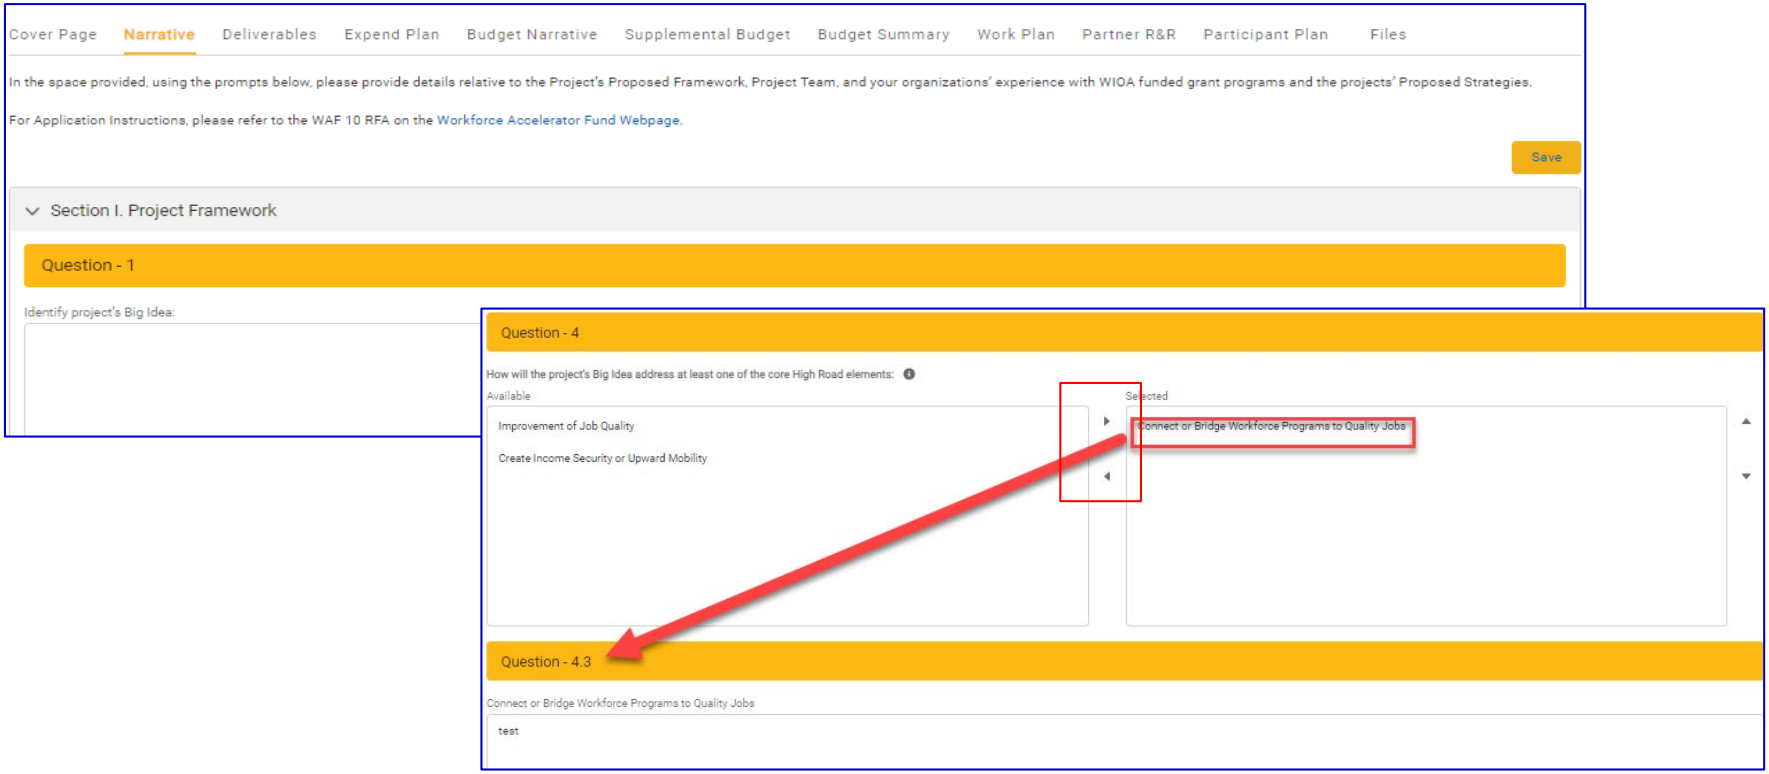
WIOA Title 1 Declaration



- ✓ Once cover page has been saved, user is taken to the Application
- ✓ User must acknowledge Declaration to proceed
- ✓ Done by selecting the **I Agree button**
- ✓ A popup message to confirm agreement of terms and conditions – Select **Proceed** will allow user to begin application

This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

Narrative (1 of 2)



- *Section I: Project Framework* has 4 questions
- Question 4 is a Conditional Question: Additional questions will appear below as necessary
- Utilize arrows to move applicable questions into the Selected pane to display conditional questions below

Use, reproduction, or distribution without the express consent is prohibited.

Narrative (2 of 2)

Section II. Subrecipient & Project Team

Question - 1

Subrecipient (organization applying for funding): The Workforce Accelerator Fund is a WIOA funded grant program and all awarded organizations must meet and comply with WIOA Title 1 and the Code of Federal Regulations, Title 2 (Uniform Guidance) to responsibly manage the grant program. Describe your experience and capacity in managing WIOA funds:

Available

If no experience managing WIOA funded grant programs, describe how organization will operate this grant program and become familiar with WIOA requirements to responsibly manage funds and comply

Selected

Describe direct experience and success in managing WIOA funded grant programs

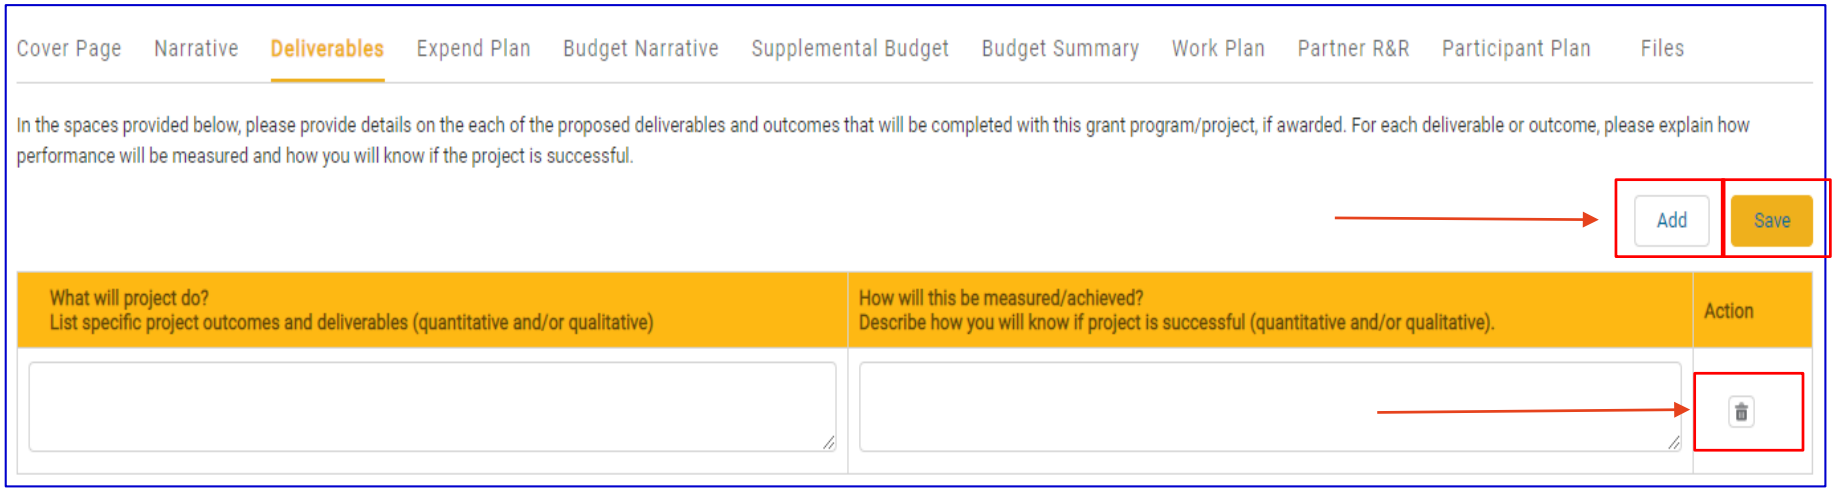
Question - 1.1

Describe direct experience and success in managing WIOA funded grant programs:

- ✓ *Section II: Subrecipient & Project Team* has 6 questions
- ✓ Question 1 is a Conditional Question: Additional questions will appear below as necessary

Use, reproduction, or distribution without the express consent is prohibited.

Deliverables



Standardized buttons throughout the application

- ✓ Ability to add additional fields if needed using **Add**
- ✓ Ability to remove unnecessary fields using **Trash** icon button
- ✓ Click **Save** before moving on to next application area

Use, reproduction, or distribution without the express consent is prohibited.

Budget Narrative

1

ver Page | Narrative | Deliverables | Expend Plan | **Budget Narrative** | Supplemental Budget | Budget Summary | Work Plan | Partner R&R | Participant Plan | Files

In the spaces provided below, please provide details relative to proposed total line item allocations. Figures in this section should mirror exactly each line item in the Grant Funds (15% WIOA) column on Budget Summary. This tab/section accounts for grant funds only – do not include leveraged funds (match).

Enough detail should be provided to justify each line item allocation. Each line item contains information/specific details on the actual exhibit that must be covered in the narrative response. If there are multiple costs within a line item each cost must be covered separately with individual details and costs outlined, totaling to the full line item allocation. Failure to provide adequate detail may result in a lower score.

For Application Instructions, please refer to the WAF 10 RFA on the Workforce Accelerator Fund Webpage.

Application Management

5 Major Functions

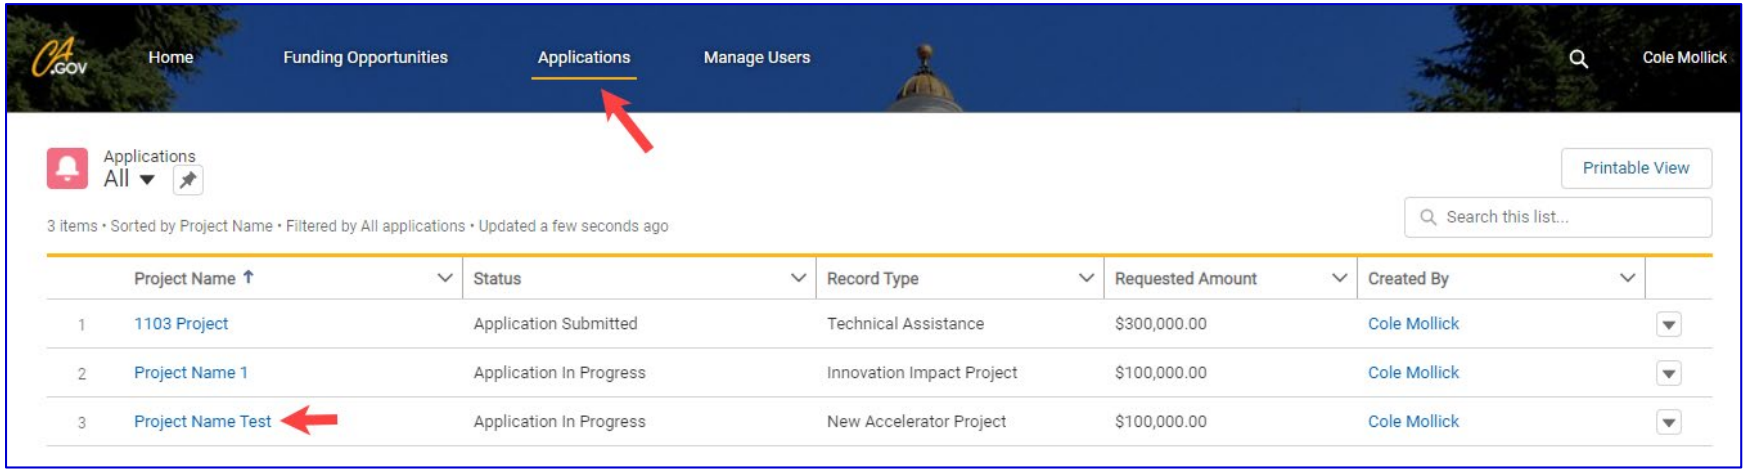
Highlights

- Application List View
- Edit Application
- Delete Application
- Print Application
- Submit Application

Use, reproduction, or distribution without the express consent is prohibited.

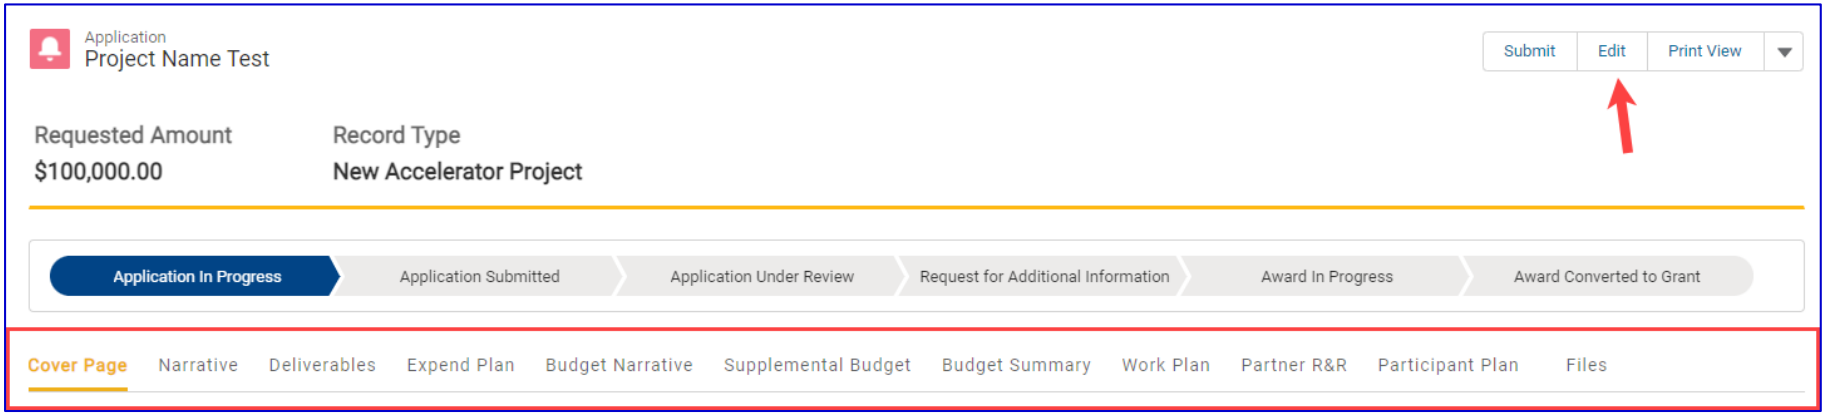
Application List View

- ✓ Click **Applications** to view list view of all applications
- ✓ List view provides status, record type, requested amount, and user who created the application
- ✓ To view, edit, or print an application, select the project name of the application

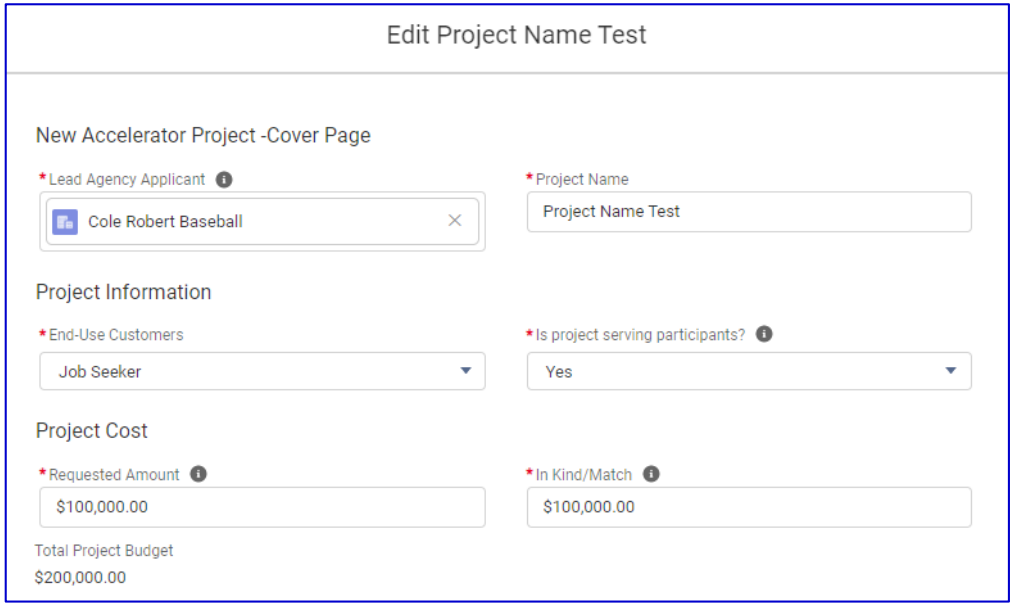


Use, reproduction, or distribution without the express consent is prohibited.

Edit Application

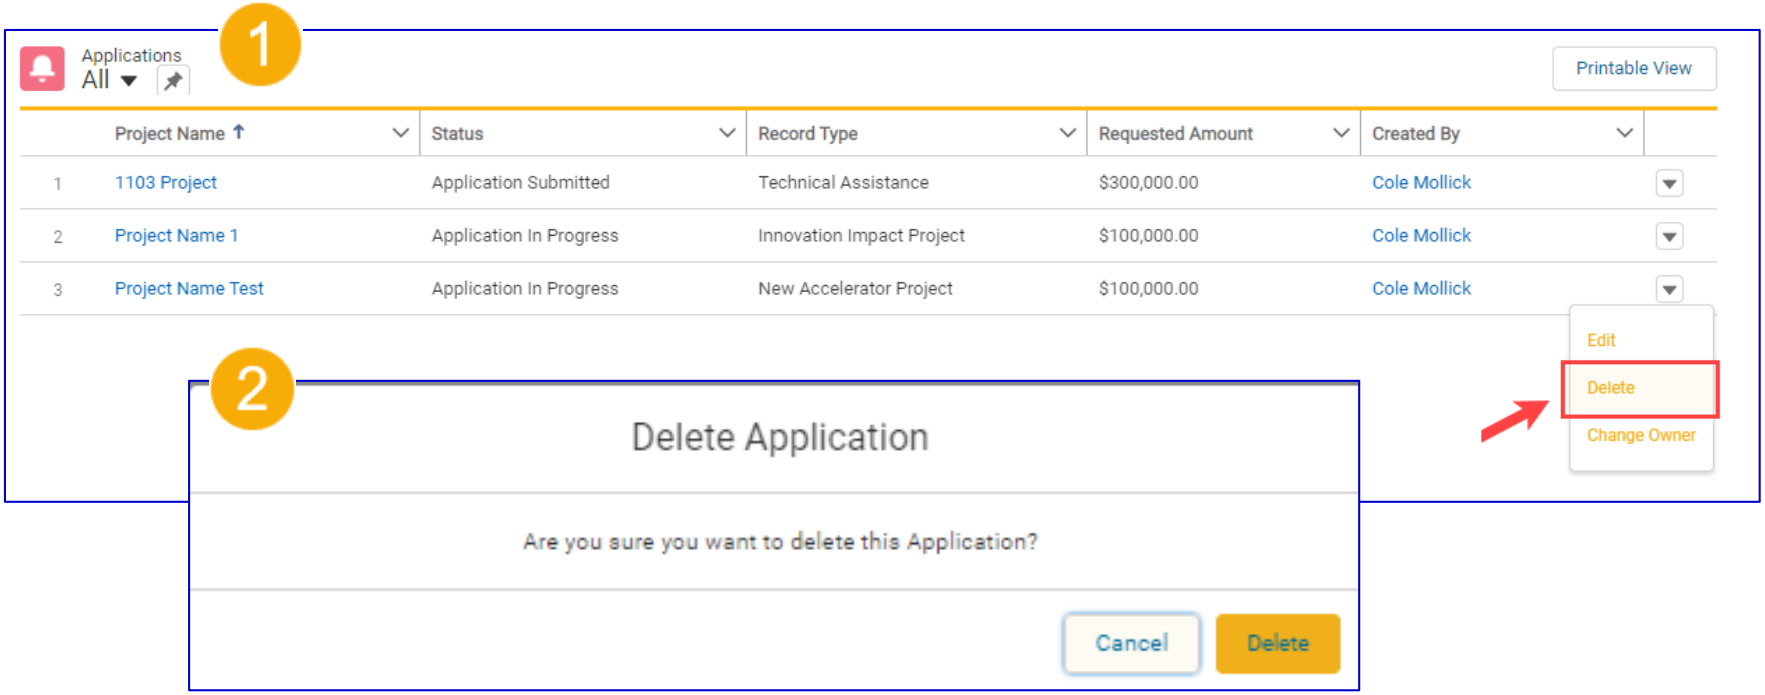


- ✓ From the Application, click the **Edit** button to edit the Cover Page
- ✓ All other edits can be made directly to the application within the different areas on the Navigation Bar
- ✓ Ability to edit while application is still "In Progress"



This information is in support of the Cal-E-Grants Project sponsored by ETP and CWDB.
Use, reproduction, or distribution without the express consent is prohibited.

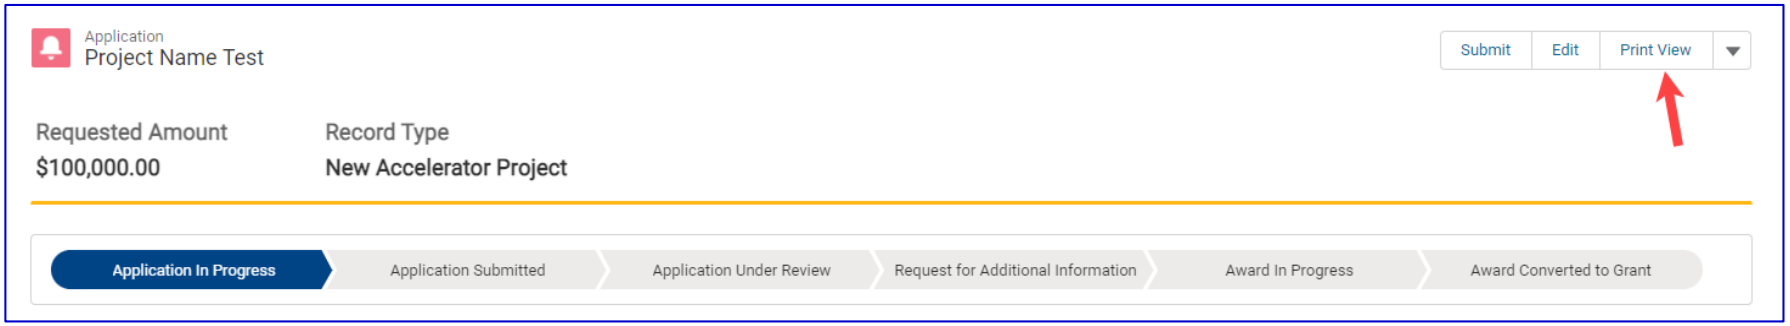
Delete Application

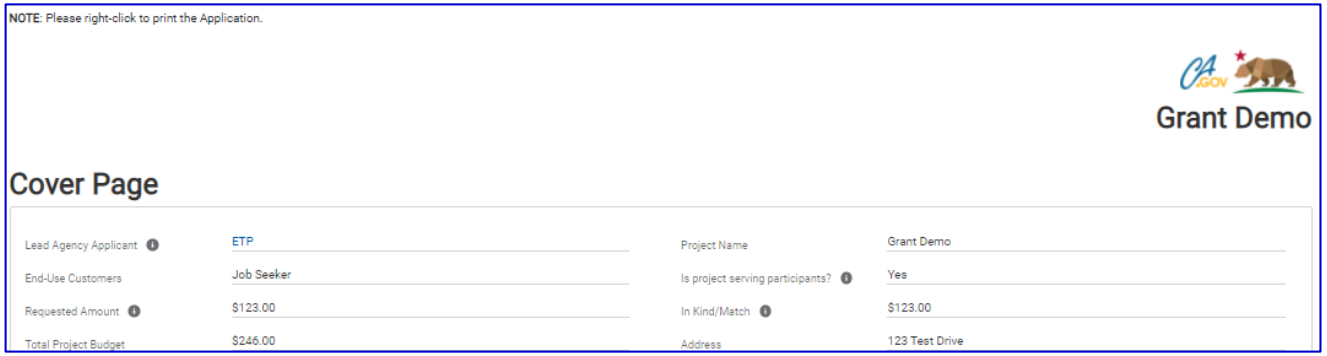


- ✓ Only users with administrator permissions can delete applications
- ✓ Click **Delete** from dropdown to delete
- ✓ Will receive confirmation message to delete
- ✓ Once deleted application will no longer show in queue
- ✓ No take-backs!

Use, reproduction, or distribution without the express consent is prohibited.

Print Application



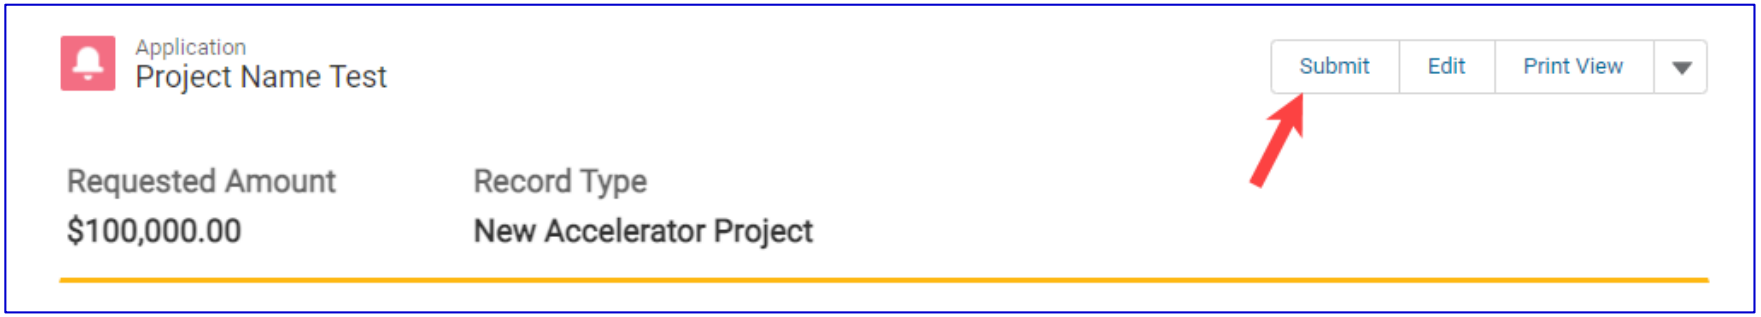


- ✓ Selecting **Print View** from Application page will open the print page
- ✓ Use browser commands to print page (Right-Click/Print, Ctrl+P etc.)
- ✓ Will print as a running view – not page delineated

Use, reproduction, or distribution without the express consent is prohibited.

Submit Application (1 of 3)

✓ To submit application, click **Submit** button on the Application

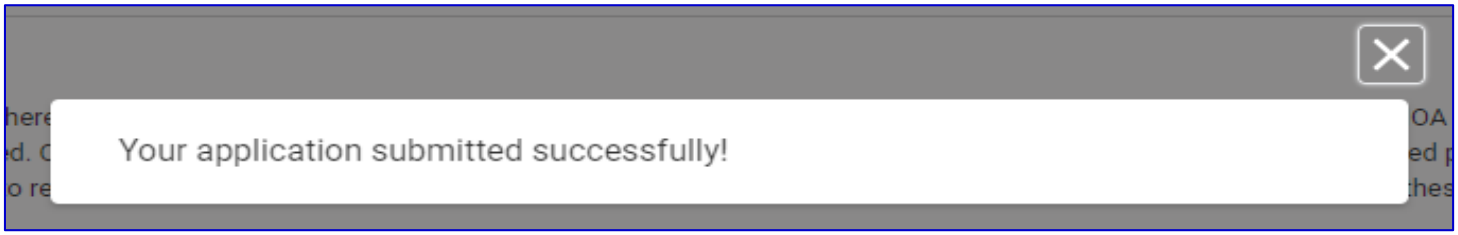


Use, reproduction, or distribution without the express consent is prohibited.

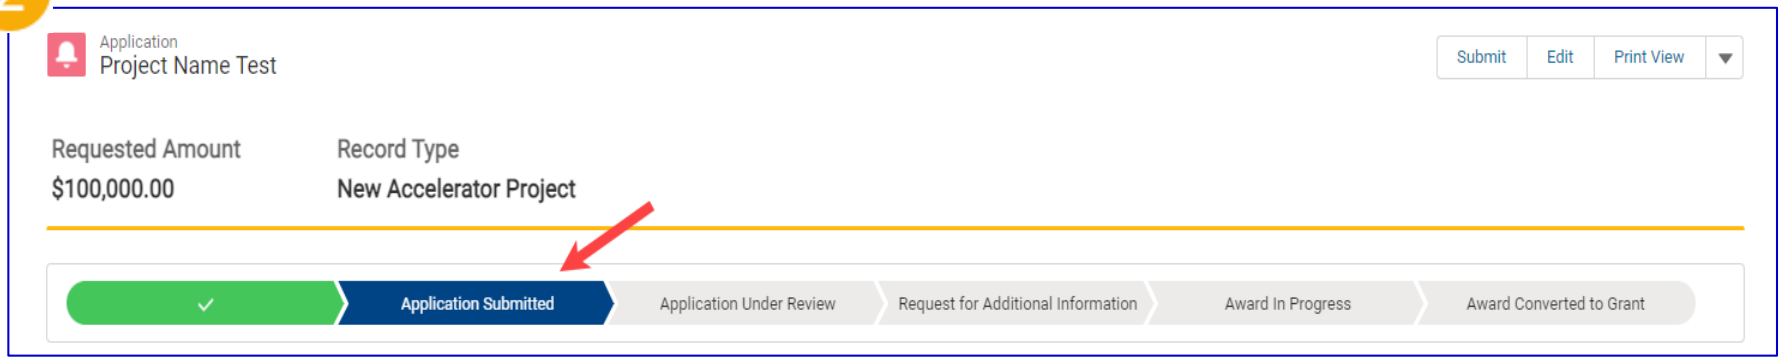
Submit Application (2 of 3)

Successful Submission

1



2



- ✓ Pop up will appear with successful submission message
- ✓ Status bar will update to “Application Submitted”

Use, reproduction, or distribution without the express consent is prohibited.

Submit Application (3 of 3)

Missing Information Validation

- If required fields are not completed at time of submission
- An error message will appear with the name of all the missing fields and related areas that need to be completed
