Meeting conclusion time is an estimate; meeting may end earlier subject to completion of agenda items and/or approved motion to adjourn. In order for the Committee to provide an opportunity for interested parties to speak at the public meetings, public comment may be limited. Written comments provided to the Committee must be made available to the public, in compliance with the Bagley-Keene Open Meeting Act, §11125.1, with copies available in sufficient supply. Individuals who require accommodations for their disabilities (including interpreters and alternate formats) are requested to contact the California Workforce Investment Board staff at (916) 324-3425 at least ten days prior to the meeting. TTY line: (916) 324-6523. Please visit the California Workforce Investment Board website at http://www.cwib.ca.gov or contact Daniel Patterson for additional information.
Green Collar Jobs Council
May 17, 2011
9:30 a.m. – 12:00 p.m.
Meeting Summary

I. Introduction and Opening Remarks:

Mr. Barry Sedlik welcomed the members and public in attendance.

II. Chair/Executive Director Updates

Mr. Barry Sedlik asked California Workforce Investment Board (State Board) Staff, Javier Romero, to provide an update to the Green Collar Jobs Council (Council).

Mr. Romero updated the Council on the following items;

- The next Regional Industry Clusters of Opportunity Action Clinic will take place on June 16, 2011 in Sacramento. This Action Clinic will be a showcase of the regional projects, highlighting innovative practices, partnerships, and systems change. All Council members are encouraged to attend.

- The first State Energy Sector Partnership and Training grant Action Clinic was held on Friday May 13, 2011 and was very successful. Teams were able to share and discuss best practices, challenges, and receive technical assistance from Collaborative Economics on Employer Engagement and Policy Alignment.

- The Business Services Catalog was presented at the California Workforce Association Spring Conference on May 21, 2011, by State Board staff Adam Quinonez and Mitzi Magtoto as well as the Air Resources Board staff person Jerry Hart.

- Included in the agenda packet is a draft template of an Issue Brief that will be developed in support of the Green Workforce Master Plan. The purpose of these Issue Briefs will be to capture real-time information from the various experts that the Council engages and provide timely recommendations and conclusions to the partner agencies of the Council and the Governor, rather than wait for a yearly annual report. Each of these Issue Briefs will be based on one of the broad recommendations set forth in the Master Plan.

III. Action Item: Approval of the March 22, 2011 Meeting Summary

The March 22, 2011 meeting summary was approved as submitted.

IV. Panel Discussion: Financing and Economic Development in the Green Economy

Panel 1: Financing Industry Perspective
The first panel consisted of private sector presenters to discuss financing and capital issues in the “green space”. The panel consisted of Ms. Lisa Haggerman PhD, Director of DBL Programs, DBL Investors; Mr. Greg Rosen Vice President, Solar Finance Leasing and Asset Finance Division Union Bank; and Mr. Sanjay Ranchod Director of Government Affairs, SolarCity.

Panel 2: Public Sector Financing

The second panel focused on a several state programs that are currently offering incentives, credits, and financing to green businesses. The panel included Christine Solich, Executive Director, California Alternative Energy and Advanced Transportation Financing Authority, California Treasurer’s Office; Michael Paparian, Executive Director of the California Pollution Control Financing Authority, California Treasurer’s Office; and Paula Connors, Manager, Bond Finance Unit I-Bank.

Panel 3: Demand Side Financing

The third and final panel focused on the various resources available to customers to help spur demand for home energy retrofits, renewable energy projects, and other green technologies. The panel consisted of Hank Ryan, Principal, Efficiency Data & Development & Executive Director of Small Business California and Frank Spasaro, Sempra Utility.

The panel presentations can be viewed online by visiting the California Workforce Investment Board website at [www.cwib.ca.gov](http://www.cwib.ca.gov). In addition, from the presentations of each of the panelists and the discussion that followed the California Workforce Investment Board staff has developed an Economic Development Issue Brief to be shared with the partners of the Green Collar Jobs Council as well as the legislature and the Lieutenant Governor’s Office.

V. General Discussion/Partner Updates

There were no partner updates.
