

2015 Pre-Apprenticeship Training Institute

Women Building the Nation Pre-Conference Event
Friday May 1, 2015
9 a.m.-5 p.m.
Sheraton Gateway LAX, Los Angeles, CA

With growing national focus on and funding for apprenticeship, pre-apprenticeship preparation programs will become an increasingly important first step in the construction careers ladder. The **2nd Annual Pre-Apprenticeship Training Institute** will provide an opportunity for pre-apprenticeship practitioners to network with their peers from around the country and learn from a variety of experienced trainers.

Join us to discuss the opportunities, challenges, and best practices for creating pre-apprenticeship programs that help all members of your community enter and benefit from apprenticeship and skilled construction trades occupations.

WHO CAN BENEFIT FROM ATTENDING:

Apprenticeship Training Directors and Coordinators, Pre-Apprenticeship Program Managers and Frontline Staff (Instructors, Outreach Coordinators, Case Managers and Job Developers), National Workforce Development Agencies, Tradeswomen Volunteers and Mentors.

(Note: The Pre-Apprenticeship Training Institute is designed for practitioners, NOT for pre-apprenticeship students.)

JOIN COLLEAGUES AND SUBJECT

MATTER EXPERTS in an engaged set of roundtable and panel discussions on best practices for:

- recruiting women to pre-apprenticeship training programs
- preparing women to be successful and competitive candidates for skilled trade apprenticeship
- supporting women's retention and advancement in the construction industry
