Introduction to CalJOBS

CalJOBS

CalJOBS is a virtual one-stop labor exchange website.

The screenshot displays the CalJOBS website interface. At the top left is the CA.GOV logo, followed by the CalJOBSSM logo. To the right, there is a language selector for "En Español", a login section with "Username" and "Password" input fields and a "Sign In" button, and links for "Register New User" and "Forgot Password?". Below the header is a promotional banner for "UI OnlineSM It's here!" featuring an image of hands on a laptop keyboard. The banner text describes it as "A fast, convenient, and secure way to access claim information, certify for benefits, and manage claims." with a "LEARN MORE >" button. Below the banner is a row of five buttons: "Find a Job", "Find a Candidate", "Find an Office", "More Career Services", and "More Employer Services". At the bottom is a "Job Search" section with the text "Search for jobs in your area." and input fields for "Enter Keyword", "Enter City", "Enter ZIP Code", a "10 miles" dropdown menu, and a "Search" button.

Individual Registration

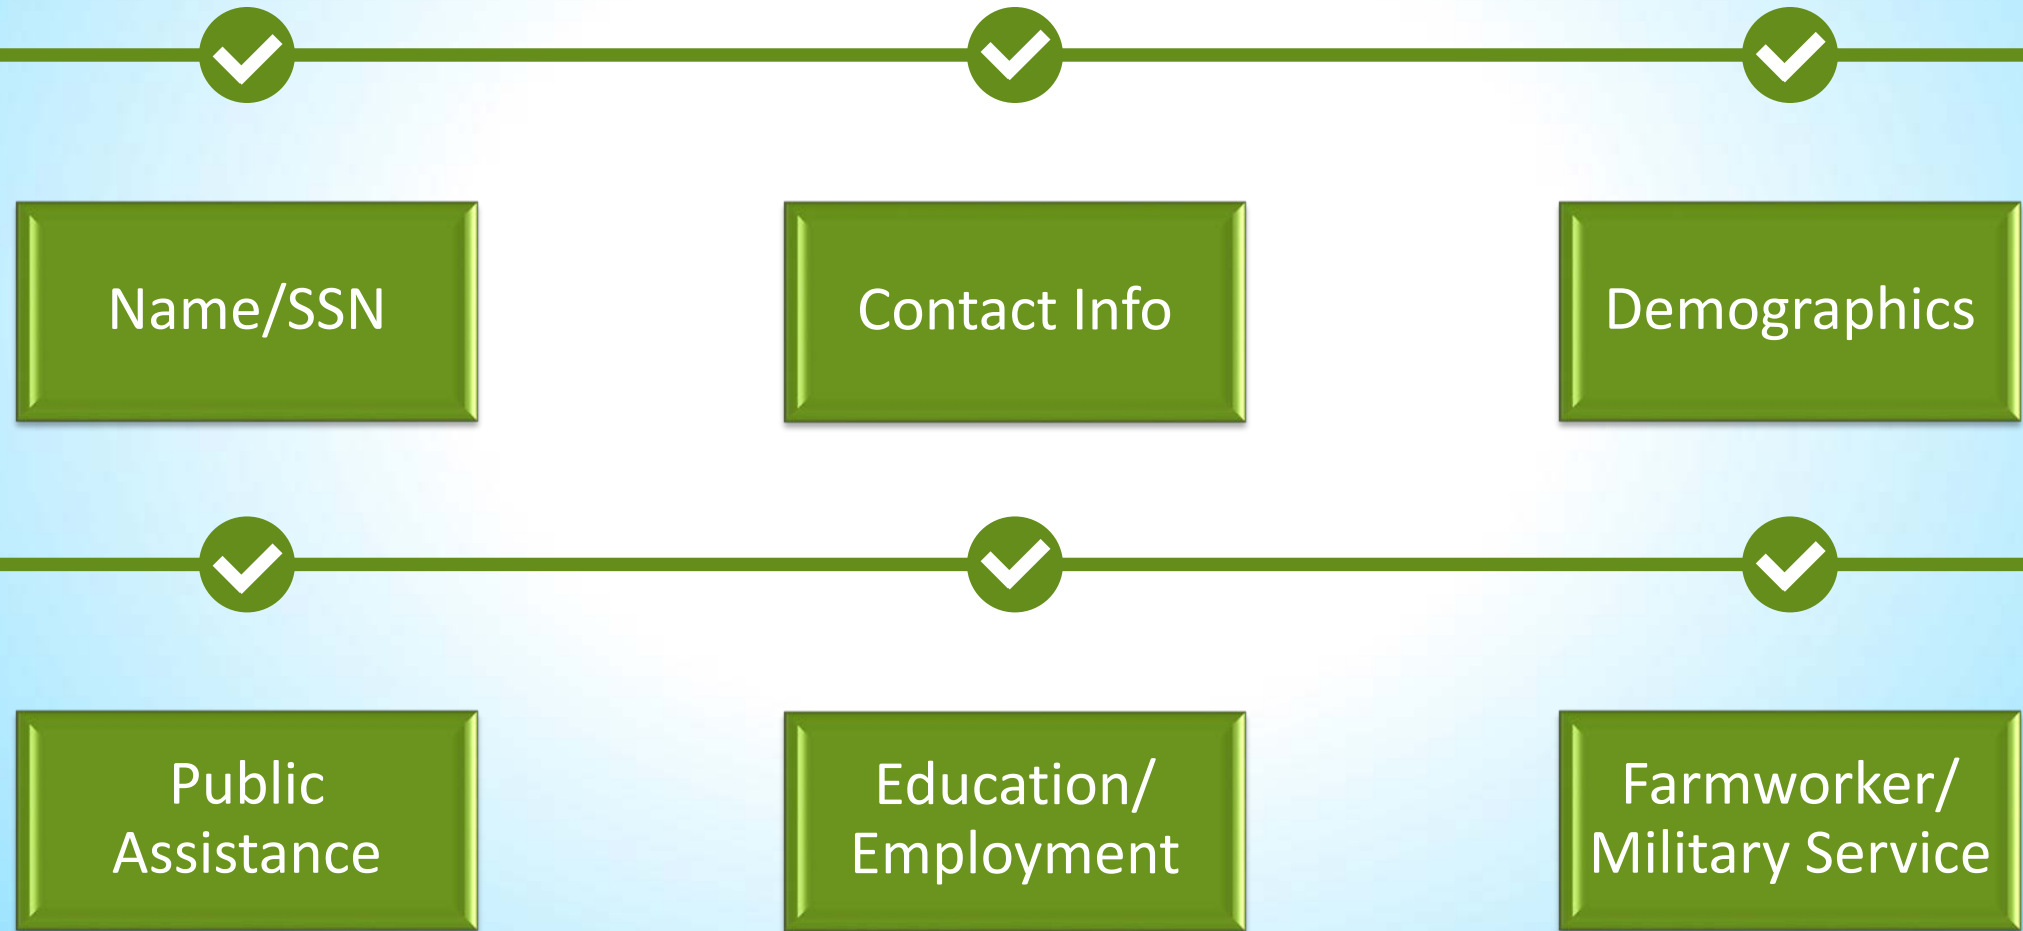

What is Individual Registration?

Gives job seekers access to wide range of CalJOBS labor exchange features, including a resume builder, access to job postings, and LMI.

Individuals or staff members complete a form with required data fields that collect information on the individual users.

It is required for all participants you serve with P2E and is separate from the WIOA Title I Application.

What Data is Collected at Registration?

Demo time!
