## Section 1      Overview

### A. Introduction

The California Workforce Development Board (CWDB) and the Employment Development Department (EDD) are pleased to announce the availability of up to \$3 million in *Workforce Innovation and Opportunity Act* (WIOA) funds to design, develop, and implement projects that accelerate employment and re-employment strategies for California job seekers.

In April 2014, the CWDB and EDD established the Workforce Accelerator Fund (Accelerator) as a new model of funding innovation in California's workforce system. Since April 2014, just over \$25 million has been invested, resulting in over 151 projects across the state. To learn more about the Workforce Accelerator Fund, you can view ["Accelerator at a Glance"](#) and our [Accelerator materials library](#). Through this Request for Applications (RFA), Accelerator 8.0 will focus on projects that create partnerships and prototype innovative strategies, bridge education and workforce gaps for people experiencing homelessness and housing instability, and that implement promising models and practices in the workforce service delivery infrastructure.

While employment alone cannot address the housing shortage facing California, it can be part of the strategy to improve outcomes for people who are living in precarious conditions. The goal of this initiative is to seed innovative thinking, expand partnerships, and generate cross-system collaboration to address the barriers to employment faced by people experiencing homelessness or housing insecurity.

To support priority objectives the CWDB has designed the High Road Training Partnership (H RTP) and the High Road Construction Careers (HRCC) approach to model a sector strategy that can address critical issues of equity, job quality, and environmental sustainability. H RTPs are industry-based, worker-focused training partnerships that build skills for California's high road employer firms that compete based on quality of product and service achieved through innovation and investment in human capital and can thus generate family-supporting 'high road' jobs where workers have agency and voice.

Accelerator is the ground floor on the High Road. This is where innovation meets equity for Californians by testing new solutions to remove barriers, align services, and make system changes to create quality job opportunities and pathways for everyone.

### **The Aim of the Workforce Accelerator Fund**

Accelerator funds innovative solutions to *accelerate* system-wide changes to better address the challenges and barriers that *lower income Californians face*. For Californians experiencing homelessness or housing insecurity, housing itself can be the primary barrier to employment and conversely, employment can be part of the solution. Through a combination of seed funding and an initiative-wide support network, Accelerator provides an opportunity for the workforce system to create and align services in unique ways, tailored to the needs of customers. As Accelerator has evolved, it has become crucial to bring successful strategies to scale and embed them into the workforce system, ultimately influencing system change to better serve target population(s), regionally and statewide.

## Accelerator 8.0

The purpose of this RFA is to solicit new strategies for Californians with barriers to employment. Our goal is to fund “ground up” solutions to some of the most vexing challenges that are keeping Californians with barriers to employment from achieving success in jobs and careers. We anticipate that the solutions achieved through Accelerator can be used by regions grappling with similar challenges. These solutions will be shared with the Regional Planning Units and other stakeholders to create lasting change and improvements in the workforce system.

California’s State Plan for the WIOA, *Skills Attainment for Upward Mobility; Aligned Services for Shared Prosperity* (Strategic Plan), prioritizes regional coordination among key partners, sector-based employment strategies, skills attainment through earn and learn and other effective training models (including, but not limited to apprenticeship), and development of career pathways. The CWDB will fund applications that advance the goals of its Strategic Plan and build workforce system infrastructure and capacity through:

- **Collaboration** among partners in the development of service delivery strategies and alignment of resources to better connect disadvantaged and disconnected job seekers to employment.
- **Innovation** that creates new methods or adapts existing approaches or accelerates the application of promising practices in workforce development and skill attainment.
- **System change** that uses these sub-grants to incentivize adoption of proven strategies and innovations that are sustained beyond the grant period.

### B. Project Goals and Objectives

Despite our state’s overall prosperity, too many Californians are in danger of being left behind, not making ends meet, and unable to create a middle class life for themselves and their families. Accelerator 8.0 funding should be utilized to expand and enhance workforce opportunities for the ***people who experience homelessness or are precariously housed, who may also be:***

- **Long-Term Unemployed** – A significant number of California workers have been out of work for more than six months and are struggling to find new jobs.
- **Returning Veterans** – Too many veterans, after performing essential services with great skill, are challenged in finding civilian jobs that capitalize on the skills they’ve developed.
- **Individuals with Disabilities** – The labor force participation rate for Californians with disabilities is only 19.5% - lower than it was before passage of the Americans with Disabilities Act.
- **Low-Income Workers** – Thousands of Californians are trapped in poverty, often cycling through low wage, dead-end jobs and lacking the education, skills, and financial support needed to move into sustained, higher wage jobs.
- **CalWORKS Participants** – The WIOA and California State budget prioritize services to skill-

up and place public assistance recipients in jobs that support their families.

- **Disconnected Youth** – Many young people who are 16-24 years of age, and are neither in-school nor working and in danger of being left behind.
- **Ex-Offenders** – Realignment has increased the visibility of the need for robust job services for the parole and ex-offender population in California.
- **Immigrant Job Seekers and their Families** – Matching the skills of immigrant workers to the changing economy and capitalizing on training and education received prior to coming to California can help increase economic mobility for immigrant workers and their families.

Contrary to social biases, people who experience homelessness or housing instability want to work and often do work. The experience of homelessness and securing long-term stable housing are often barriers to obtaining and maintaining quality jobs to support themselves and their families, especially in an era of volatile, rapidly evolving labor markets. At the same time in regions across California, employers in key industry sectors are searching for qualified workers for occupations across all skill levels.

Traditional workforce and education strategies have had little impact in helping these workers build relevant skills that connect them to good jobs. Even promising strategies lack the speed, agility, or scale needed to accelerate employment for workers desperately in need of that help. We need to bring the creativity for which California is known for to create new strategies that achieve scalable impact for workers facing difficult employment prospects.

The CWDB and EDD are investing Workforce Innovation and Opportunity Act (WIOA) Governor's Discretionary resources through Accelerator 8.0, which will award grants to projects that create and prototype innovative strategies to accelerate skill development, employment, and reemployment for this target population. Innovations that emerge from these prototypes will then be scaled and replicated across the state, infusing new ideas into the bloodstream of workforce development.

#### **Project Goals:**

- Improve labor market and skills outcomes for target groups through the development of strategies that fill gaps, accelerate processes, or customize services to ensure greater access to workforce services and employment opportunities.
- Create new models for service delivery and funding alignment that can be replicated across the state and tailored to regional needs.
- Leverage state investment with commitments from industry, labor, public, and community partners.
- Develop or improve cross-system strategies between the Workforce Development System and Homeless Continuum of Care.

The CWDB and EDD will fund applications that seek to achieve the project goals outlined above

by designing and developing innovative ideas that have the potential to substantially increase the effectiveness, scale, and/or capacity of existing workforce system programs and funding streams that serve the Accelerator target population. Successful applications may create new tools, borrow methods from other disciplines, or apply models from other sectors or populations in order to achieve the desired outcomes. Past Accelerator projects that demonstrated significant impact and potential for replication and/or integration can be tested with new partners at both the state and regional levels to infuse innovations and system improvements into the workforce system infrastructure specifically for this population.

### **C. Project Design**

Accelerator seeks solutions to specific challenges that inhibit career opportunity and employment success for the targeted population and that improve access to the workforce development pipeline—education, training, support services, placement, retention, etc. The intent is not simply to create new programs or to expand existing ones. Successful applicants will demonstrate how their projects will direct existing resources and efforts in new, more efficient and effective ways. These efforts should not create or reinforce service delivery silos or funding silos, but rather should result in strategies that take a new or unique approach to addressing workforce pipeline gaps specific to this population, that can be applied, replicated or scaled to create broader impact and system improvement.

**Project Team:** Successful applicants will design, develop, or prototype different tools, methods and strategies than those the workforce stakeholders are presently using. The intent is to use existing resources in new, more efficient, effective ways. As such, each applicant will be required to create a team of partners that offers unique skills and contributions to the project. Applicants must identify each team member and describe the role of the Project Team and its members in project development, integration of new ways of doing business, and scaling and replication. Project Teams must include at least one unique member from each of the following groups:

- **Experts** – Partners who have a deep knowledge of the workforce system, operational and administrative experience, and insight into implementation opportunities and challenges. These partners must include those with expertise and experience working in or with institutions that the project is directly impacting (e.g., community colleges, K-12 schools, America’s Job Centers of California, county social services/public assistance providers, etc.) as well as the parts of the workforce or skills development system who represent the “market” for replication, expansion, or integration of the project (e.g., state and local agencies, funders, service delivery providers, career technical education programs, etc.).
- **Innovators** – Partners who bring new perspective and expertise to the project, who have created solutions to challenging problems, and who have cross-disciplinary experience. These individuals and organizations may not have workforce development experience, but have success in other fields that is instructive to change and innovation in workforce development.
- **Customers** – Partners who represent at least one of the potential end-use customer(s) of the project: job seekers or employers. Each project must include

either a partner who is currently representing multiple job seekers from the targeted population (e.g., community organizations, advocacy groups, etc.) or multiple employers (e.g. industry associations, chambers of commerce, employer advisory groups), depending on the challenge being addressed and/or aspect of the pipeline being targeted. These partners must be able to provide direct input from individual job seekers from the target group, or employers who will be utilizing the services.

- **Influencers** – Applicants will engage in a partnership with an individual or organization that can influence system change. The team member should be an individual(s) who have the influence and authority to bring new strategies to the table to create a “New Business as Usual” to our workforce system.

***The “Big Idea” gap or challenge to address:*** Each project must identify a challenge or gap that if successfully addressed, would significantly “move the needle” on employment for the homeless or precariously housed population. This should address a challenge that the workforce system is facing in increasing opportunity, access, effectiveness, and/or scale in addressing the assessment, training, placement, or advancement of the targeted population(s). Some projects may be tailored to meet the needs of more than one group, or more than one aspect of the workforce pipeline. For example, projects may choose to focus on:

- Accelerating education, training or retraining of workers in the targeted populations.
- Developing new ways of engaging industry (employers and/or labor stakeholders) to articulate skill needs, calibrate supply and demand, develop curricula and/or training modalities, or other strategies to match job seekers with employment.
- Increasing the use of existing, or development of new industry-valued skills credentials (e.g., certificates, licenses, digital badges, stackable credentials, etc.).
- Accelerating implementation of WIOA “career services” by increasing the partners committed to integrating service delivery and/or developing strategies and tools to prepare targeted populations for training and job placement.
- Accelerating recognition of existing skills, such as prior learning assessments, and/or utilizing competency-based models that focus on learning rather than on duration of training.
- Expanding or creating apprenticeship, pre-apprenticeship or other “earn and learn” models (i.e., quality paid internships or other work-based learning opportunities).
- Improving work-based learning infrastructure that supports employers and/or that increases access and opportunities for working learners.
- Creating cross-system service alignment by bringing together systems and partners to provide support services (housing, mental health care, substance use counseling, etc.) to increase effectiveness of workforce services.
- Creating more robust services by braiding multiple funding sources or utilizing new

funding models to increase scale or funding diversity.

- Increasing use of training and hiring incentives for targeted populations, including subsidized employment (e.g., on-the-job training, CalWORKs jobs programs, EDD's Unemployment Insurance Work Sharing or other resources).
- Improving job matching and assessment strategies to accelerate employment/reemployment.
- Improving employer recruitment and hiring strategies to benefit targeted groups.
- Streamlining the use of virtual (e.g., via use of technology) with in-person strategies for job seekers and employers.

#### **D. Project Activities**

The Strategic Plan prioritizes regional coordination among key partners, sector-based employment strategies, skill attainment through earn and learn and other effective training models (including but not limited to apprenticeship), and development of career pathways. In addition, the Strategic Plan emphasizes the coordination and alignment of resources and systems to better serve all California job seekers, including those with significant barriers to employment. This RFA aims to increase workforce system capacity to serve job seekers in the targeted population by addressing gaps or capitalizing on opportunities to bridge priority services, training or education, and ultimately employment in targeted industry sectors. **Projects will have an 18-month grant period.**

Through this RFA, the CWDB will fund new projects that address homelessness and the precariously housed population.

## New Accelerator Projects

Through this RFA, the CWDB will fund new Accelerator projects that address gaps and increase efficiencies in:

- The service delivery pipeline of the workforce system
- The alignment of funding for the targeted populations

Applicants may address one or more of these gaps in their project; however, the goals for each should be clearly defined and measurable during the life of the project. These goals may include incremental measures or points of change that reflect process, output, or deliverable benchmarks.

In order to address these gaps, applicants are encouraged to take a research and development approach, borrow strategies from other industries or sectors, and/or prototype new models. Projects may choose to utilize:

- Tools, models, or resources that are already developed but not used in the public workforce system, with the targeted populations, or are not at scale.
- Strategies, resources, and lessons from other disciplines, applied to the workforce system and target population(s).
- Brand new ideas that have the opportunity to be game changers for the workforce system and target groups.

Projects may include design, development, testing, piloting, and/or implementation activities, to be determined by the scope and target of the project and the Project Team partners. All successful applicants will clearly articulate the innovation process, points of change, and prospects for implementation at scale. Applicants may propose projects that are integrated into existing programs or service delivery infrastructure; however, successful grants will show how their activities can be applied more broadly to create population, system, or regional impact. For those projects using Accelerator or other WIOA funds for direct service delivery, job-seeker clients must be enrolled in CalJOBS.

Through this RFA, the CWDB will fund Technical Assistance and Support activities that aid all of the Accelerator 8.0 awardees and projects. The goal of these activities is to provide individual and group-based assistance to Accelerator 8.0 awardees in the design, development, and implementation of their projects, and to provide a forum for cross-project communication and learning. The activities can take place during Community of Practice meetings, as described below, or through other means of communication as identified by the Technical Assistance and Support Provider.

Technical Assistance and Support activities include but are not limited to:

- **Team Building:** Facilitation and/or guidance of strong Project Team engagement for Accelerator awardees.
- **Knowledge Sharing:** Facilitate in-person Community of Practice meetings and web-based communities to guide the Accelerator 8.0 awardees through the process of developing their projects and to encourage peer-to-peer engagement and learning. Coordinate training for awardees on topics such as design methods, innovation strategies, or other Accelerator-tailored subjects. Develop traditional or innovative methods of sharing promising practices with the workforce community including but not limited to webinars, papers, regional meetings, and learning circles.
- **Course Correction:** Identify when project goals, deliverables, and outcomes aren't being met and provide guidance to the Accelerator awardees in the examination alternative methods to accomplish their project goals.
- **Sustainability:** Provide guidance and assistance in developing sustainability plans to ensure that the Accelerator projects result in strategies that continue the work of the projects beyond the grant period.
- **Additional Activities:** As proposed by the Applicant.

## E. Funding

Funding for this RFA is provided through the WIOA Governor's Discretionary funds. Funding is available for projects that address the needs of the targeted populations and project activities outlined in this solicitation.

### *Target Population*

Accelerator 8.0 will target individuals who are **homeless and precariously housed** who may also be:

- Long-Term Unemployed
- Returning Veterans
- Individuals with Disabilities
- Low-Income Workers
- CalWORKs Participants
- Disconnected Youth
- Ex-Offenders
- Immigrant Job Seekers and their Families

Applicants may propose projects that address the people experiencing homelessness and be able to document benefits specific to this targeted population.

**Bonus Points:** Up to five points may be awarded to an application that describes new and innovative strategies in connecting with the local Continuum of Care. An additional five points may be awarded for including a team member who is part of the Continuum of Care.

### *Activities*

Accelerator funds may be used for planning, design, development, piloting, and implementation activities. If services are provided directly to job-seeker customers during the grant period, those services may be paid with this grant funding, however, it is anticipated that the majority of services will be provided through other funding. Customers are not required to be co-enrolled under this grant. For the information on eligibility, please review the [EDD Eligibility Technical Assistance Guide](#) for adult and dislocated workers, and [WSD16-01 - WIOA Youth Program Requirements](#).

### *Allowable Use of Funds*

The use of funds awarded in the RFA is governed by the WIOA and its associated federal regulations, state and federal directives, and the federal Office of Management and Budget (OMB) Guidance for Grants and Agreements ([Uniform Guidance for Federal Awards 2 CFR Part 200](#)). Please review [WSD16-16 - Allowable Costs and Prior Written Approval](#). Appendices A through E describe the general requirements pertaining to these funds. Funds awarded under this RFA

cannot be used to purchase real property or construct buildings. A maximum of 10% of the total project budget will be allowed for administrative costs. The definition of administrative costs is provided in Appendix B.

#### *Grant Awards*

The CWDB and EDD anticipate funding grants not to exceed \$150,000. The grant period will be 18 months in duration. Successful applicants will demonstrate a match of cash or in-kind support for their project activities as outlined below. Accelerator 8.0 Technical Assistance and Support applicants are not required to provide matching funds or in-kind support.

*Note: The CWDB and EDD reserve the option to extend grant periods with proven justification. The CWDB also reserves the right to make additional awards by March 1, 2020 to applications not initially funded through this RFA, should additional funding become available.*

Accelerator 8.0 Project Type	Grant Amount
New Accelerator Projects	<ul style="list-style-type: none"><li>• Up to \$150,000 (total grant award)</li><li>• Requires 1:1 cash or in-kind match</li></ul>
Accelerator 8.0 Technical Assistance and Support	<ul style="list-style-type: none"><li>• Up to \$300,000 (total grant award)</li><li>• No match required</li></ul>

## F. Eligible Applicants

Accelerator 8.0 Project Type	Eligible Applicant(s)
<b>New Accelerator Projects</b>	Local Workforce Development Boards, labor organizations, K-12 education entities, Community Colleges, adult schools, county social services agencies, community-based organizations, and business related non-profit organizations, workforce intermediaries.
<b>Accelerator 8.0 Technical Assistance and Support</b>	The Accelerator 8.0 Technical Assistance and Support Applicants must meet the same eligible applicant criteria as described for “New Accelerator Projects”.

*A for-profit private business or a for-profit consortium of businesses cannot be the lead applicant but can be a partner on the Project Team.*

### *Communities of Practice*

The CWDB is committed to implementing continuous improvement, innovation, and system change strategies. This RFA will develop a Community of Practice of awardees, staff, partners, and other key system stakeholders. Project Teams will access peer and expert technical assistance, share successful program models, and coordinate performance and evaluation activities through the Community of Practice. *Project Teams should budget for and plan to attend at least two in-person Community of Practice meetings throughout the grant period.*

### **G. Program Evaluation**

The CWDB encourages Accelerator 8.0 applicants to assess the characteristics and potential outcomes of their application to identify the truly innovative aspects of the projects. These projects should allow the Project Team, stakeholders, partners, and service providers to identify and learn from new strategies, promising practices, and course corrections. Awardees will be required to submit reports on project progress and document outcomes, which will be made available to the CWDB, EDD, and other stakeholders.

### **Section 2      Significant Dates**

<b>Event</b>	<b>Date*</b>
RFA Release	<b>November 12, 2019</b>
Application Workshop	<b>November 19, 2019</b>
Q&A	Accepted and posted weekly to the CWDB's website throughout the application period.
All Applications Due	<b>December 23, 2019</b> (by 3:00 PM Pacific)
Award Announcement	<b>February 2020</b>
Grant Period	<b>April 1, 2020 – September 30, 2021</b> <i>Technical Assistance thru March 2022</i>

*\*All dates after the final application submission deadline may be adjusted, without addendum to this RFA.*

### **Section 3      Application Submission Instructions**

This RFA contains the requirements that applicants must meet in order to submit a responsive Application. The RFA provides information regarding the format in which applications must be submitted, the documents to be included, the requirements that must be met to be eligible for consideration, and the applicants' responsibilities.

#### **Application Deadline**

The deadline for applications is **December 23, 2019 at 3:00 PM Pacific Time.**

**Late applications will not be accepted.**

#### **Application Delivery Method and Addresses**

Applications must be submitted electronically to:

[CWDBInfo@cwdb.ca.gov](mailto:CWDBInfo@cwdb.ca.gov)

All applications must be submitted in one .ZIP File containing all required forms\* and using the following naming convention:

**Accelerator8.0\_ApplicantOrganization\_ProjectName**

\*No PDFs except for cover page with original signature

Please use "WAF 8.0 Application" in the subject line.

#### **Questions**

Questions regarding the instructions for this RFA may be sent to:

[CWDBInfo@cwdb.ca.gov](mailto:CWDBInfo@cwdb.ca.gov)

Please use "WAF 8.0 Question" in the subject line. Cumulative questions and answers will be posted to the CWDB's website under the Initiatives tab on a weekly throughout the grant period. The last day Q&A will be posted is December 20, 2019 at 2PM.

## Section 4      Application Requirements, Award and Contracting Process

### Required Application Content

All applications must adhere to the required format and, in order to be competitive, must include all of the requested information, completed forms, and attachments. **Applications that do not adhere to these requirements will be determined non-responsive and will not be considered for funding.**

All applications must adhere to the page limits indicated in the chart below, one-inch margins, single-spaced, in a font no less than 12 point. Forms and cover page are not included in the page limits.

### Page Limits

Accelerator 8.0 Project Type	Narrative Page Limit
New Accelerator Projects	4
Accelerator 8.0 Technical Assistance and Support	4

**All applicants must submit the required forms and attachments. These include:**

<b>Document Name/Description</b>	<b>Form Provided</b>
<b>Cover Page</b>	YES
<b>Project Matrix</b>	YES
<b>Exhibit D: Project Narrative</b>	YES
<b>Exhibit E: Funding Expenditure Plan</b>	YES
<b>Exhibit F: Budget Summary</b>	YES
<b>Exhibit F2: Budget Narrative</b>	YES
<b>Exhibit G: Supplemental Budget</b>	YES
<b>Exhibit I: Work Plan</b>	YES
<b>Exhibit J: Partner Roles &amp; Responsibilities</b>	YES

#### **Application Narrative, Evaluation and Recommendation for Funding**

The application narrative for each project should address each of the sections outlined in the Project Narrative Tables. All applications must include the required forms and cover page. The scoring value of each section of this RFA is included in the Project Application Tables. The ranked scores will serve as the primary basis for making recommendations for funding in conjunction with other factors such as geographic distribution of funds, uniqueness, and innovative aspects of the application. Only those applications deemed to be meritorious and in the best interests of the State will be recommended for funding.

## New Accelerator 8.0 Project Narrative Table

Section	Description	Points
Project Narrative	<ul style="list-style-type: none"> <li>▪ Describe the challenge and/or gap your project is designed to address, the opportunity for improvement or change, and how this project will uniquely address the “big idea” and “move the needle” on employment.</li> <li>▪ Describe the innovation process and points of change, <i>how the project is unique</i>, the role of the Project Team, and how this will be documented.</li> <li>▪ Provide an outline of the project, and the project objectives: strategies, outputs and outcomes (<i>what will the project do?</i>), performance measures (<i>how will success be measured?</i>), and timeline. Describe the opportunity for scaling, replication, or application of project successes and lessons.</li> <li>▪ <b>Complete and attach the Work Plan (Form I)</b></li> <li>▪ <b>Complete and attach the New Accelerator Project Matrix</b></li> <li>▪ <b>Complete and attach Partners Roles and Responsibilities (Form J)</b></li> <li>▪ <i>Up to five bonus points may be awarded to an application that describes new and innovative strategies that include a Continuum of Care. <a href="#">Continuum of Care (CoC)</a> - A local planning body – or regional planning body – that coordinates housing and services for families and individuals experiencing homelessness.</i></li> </ul>	45

Section	Description	Points
Project Team	<ul style="list-style-type: none"> <li>▪ Identify the individuals and organizations representing each of the Project Team roles (Expert, Innovator, and Customer, Influencer) and their experience and successes in that capacity.</li> <li>▪ Describe the function or activities each will provide in the project, including role and commitment to integration, sharing, and replication and/or scaling of successful outcomes.</li> <li>▪ List any in-kind match provided by the Project Team members.</li> <li>▪ <i>If the project is connected to a Continuum of Care, additional five bonus points may be awarded for identifying the individuals and what are their roles in the project.</i></li> </ul>	45
Budget	<ul style="list-style-type: none"> <li>▪ <b>Complete and attach the Project Budget (Forms E, F, F2, and G).</b> Applicants must provide detailed budget information, including 1:1 cash or in-kind match.</li> </ul>	10

## Accelerator 8.0 Technical Assistance and Support Narrative Table

Section	Description	Points
Technical Assistance and Support Project Narrative	<ul style="list-style-type: none"> <li>Provide an overview of the activities for technical assistance, support and knowledge sharing the Accelerator 8.0 projects will receive.</li> <li>Describe the methods that will be utilized for the facilitation of the Communities of Practice.</li> <li>Describe how awardee activities will be documented and progress will be assessed.</li> <li>Provide a format or example of how lessons and successes will be communicated to the CWDB and other stakeholders.</li> <li>List the individuals and organizations providing technical assistance and support for the Accelerator 8.0 projects, and describe their capacity and experience.</li> <li><b>Complete and attach the Work Plan (Form I).</b></li> <li><i>Five additional points may be granted to a TA team consisting of individual(s) who have expertise in working with the homeless population.</i></li> </ul>	90
Budget	<ul style="list-style-type: none"> <li><b>Project Budget (Forms E, F, F2, and G). Applicants must provide detailed budget information.</b></li> <li>No match required.</li> </ul>	10

## **APPENDIX A**

### **WIOA Allowable Activities**

The Workforce Innovation and Opportunity Act (WIOA) permits three types of career services: basic career services, individualized career services, and follow-up services.

#### **Basic Career Services:**

1. Determinations of whether the individual is eligible to receive assistance from the adult, dislocated worker, or youth programs.
2. Outreach, intake, and orientation to information and other services available through the one-stop delivery system.
3. Initial assessment of skill levels including literacy, numeracy, and English language proficiency, as well as aptitudes, abilities (including skills gaps), and supportive service needs.
4. Job search and placement assistance, and, when needed by an individual, career counseling, including:
  - a. Information on in-demand industry sectors and occupations.
  - b. Information on nontraditional employment.
  - c. Appropriate recruitment and other business services on behalf of employers, including information and referrals to specialized business services other than those traditionally offered through the one-stop delivery system.
5. Provision of referrals to and coordination of activities with other programs and services including: programs and services within the one-stop delivery system and, when appropriate, other workforce development programs.
6. Provision of workforce and labor market employment statistics information, including the provision of accurate information relating to local, regional, and national labor market areas, including:
  - a. Job vacancy listings in labor market areas.
  - b. Information on job skills necessary to obtain the vacant jobs listed.
  - c. Information relating to local occupations in demand and the earnings, skill requirements, and opportunities for advancement for those jobs.
7. Provision of performance information and program cost information on eligible providers of training services by program and type of providers.

8. Provision of understandable and accurate information about how the Local Workforce Development Area is performing on local performance accountability measures, as well as any additional performance information relating to the area's one-stop delivery system.
9. Provision of understandable and accurate information relating to the availability of supportive services or assistance including: child care, child support, medical or child health assistance available through the State's Medicaid program and Children's Health Insurance Program, benefits under the CalFRESH Program (federally known as the Supplemental Nutrition Assistance Program), assistance through the earned income tax credit, and assistance under a State program for Temporary Assistance for Needy Families, and other supportive services and transportation provided through that program.
10. Provision of information and assistance regarding filing claims for unemployment insurance (UI), by which the America's Job Center of California<sup>SM</sup> must provide "meaningful assistance" to individuals seeking assistance in filing a UI claim. The term "meaningful assistance" means:
  - a. Providing assistance on-site using staff who are well-trained in UI claim filing and the rights and responsibilities of claimants; or
  - b. Providing assistance by phone or via other technology, as long as the assistance is provided by trained and available staff and within a reasonable time.
  - c. Assistance in establishing eligibility for programs of financial aid assistance for training and education programs not provided under WIOA.

### **Individualized Career Services**

1. Comprehensive and specialized assessments of the skill levels and service needs of adults and dislocated workers, which may include:
  - a. Diagnostic testing and use of other assessment tools.
  - b. In-depth interviewing and evaluation to identify employment barriers and appropriate employment goals.
2. Development of an individual employment plan, to identify the employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to achieve their employment goals, including the list of, and information about, the eligible training providers.
3. Group counseling.
4. Individual counseling.
5. Career planning.
6. Short-term pre-vocational services including development of learning skills, communication skills, interviewing skills, punctuality, personal maintenance skills, and professional conduct services to prepare individuals for unsubsidized employment or training.

7. Internships and work experiences that are linked to careers.
8. Workforce preparation activities.
9. Financial literacy services.
10. Out-of-area job search assistance and relocation assistance.
11. English language acquisition and integrated education and training programs.

### **Follow-up Services**

Follow-up services, such as counseling regarding the workplace, are provided for participants in adult or dislocated worker workforce investment activities who are placed in unsubsidized employment, for up to 12 months after the first day of employment.

Each application should include follow-up services for participants after they are placed in unsubsidized employment and after they have exited from the project. The follow-up is intended to support the client in retaining employment and continuing to improve their employment success after exit. The final follow-up design will be negotiated with each successful applicant during contract negotiations based on the length of the contract and the funding available to the applicant. While follow-up services must be made available, not all participants who are registered and placed into unsubsidized employment will need or want such services.

## **APPENDIX B**

### **Administrative Costs**

Under the Workforce Innovation and Opportunity Act (WIOA), there is an administrative cost limit of ten percent. The following WIOA Title I functions and activities constitute the costs of administration subject to the administrative cost limitation:

- a. The costs of administration are expenditures incurred by direct grant recipients, as well as local grant recipients, local grant subrecipients, local fiscal agents, and which are not related to the direct provision of WIOA services, including services to participants and employers. These costs can be both personnel and non-personnel and both direct and indirect.
- b. The costs of administration are the costs associated with performing the following functions:
  - (1) Performing the following overall general administrative functions and coordination of those functions under WIOA Title I:
    - i. Accounting, budgeting, financial and cash management functions
    - ii. Procurement and purchasing functions
    - iii. Property management functions
    - iv. Personnel management functions
    - v. Payroll functions
    - vi. Coordinating the resolution of findings arising from audits, reviews, investigations and incident reports
    - vii. Audit functions;
    - viii. General legal services functions;
    - ix. Developing systems and procedures, including information systems, required for these administrative functions; and
    - x. Fiscal agent responsibilities
  - (2) Performing oversight and monitoring responsibilities related to WIOA administrative functions.
  - (3) Costs of goods and services required for administrative functions of the program, including goods and services such as rental or purchase of equipment, utilities, office supplies, postage, and rental and maintenance of office space.

- (4) Travel costs incurred for official business in carrying out administrative activities or the overall management of the WIOA system.
  - (5) Costs of information systems related to administrative functions (for example, personnel, procurement, purchasing, property management, accounting and payroll systems) including the purchase, systems development and operating costs of such systems.
- c. (1) Awards to subrecipients or contractors that are solely for the performance of administrative functions are classified as administrative costs.
- (2) Personnel and related nonpersonnel costs of staff that perform both administrative functions specified in paragraph (b) of this section and programmatic services or activities must be allocated as administrative or program costs to the benefitting cost objectives/categories based on documented distributions of actual time worked or other equitable cost allocation methods.
  - (3) Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost are to be charged as a program cost. Documentation of such charges must be maintained.
  - (4) Except as provided at paragraph (c)(1) of this section, all costs incurred for functions and activities of subrecipients and contractors are program costs.
  - (5) Continuous improvement activities are charged to administration or program category based on the purpose or nature of the activity to be improved. Documentation of such charges must be maintained.
  - (6) Costs of the following information systems including the purchase, systems development, and operational costs (e.g., data entry) are charged to the program category:
    - i. Tracking or monitoring of participant and performance information.
    - ii. Employment statistics information, including job listing information, job skills information, and demand occupation information.
    - iii. Performance and program cost information on eligible providers of training services, youth activities, and appropriate education activities.
    - iv. Local Workforce Development Area performance information.
    - v. Information relating to supportive services and unemployment insurance claims for program participants.
- d. Where possible, entities identified in item (a) must make efforts to streamline the services in paragraphs (b)(1) through (5) of this section to reduce administrative costs by minimizing duplication and effectively using information technology to improve services.

## APPENDIX C

### Allowable Costs and Cost Items Matrix

An entity that receives funds under Title I of the Workforce Innovation and Opportunity Act (WIOA) is required to comply with the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements Final Rule (Uniform Guidance) ([2 CFR Part 200](#)) and Department of Labor (DOL) exceptions ([2 CFR Part 2900](#)). In general, to be an allowable charge under WIOA, a cost must meet the following criteria:

- a. Be necessary and reasonable for the performance of the award.
- b. Be allocable to the award.
- c. Conform to any limitations or exclusions set forth in the award.
- d. Be consistent with policies and procedures that apply uniformly to both federally-financed and other activities of the non-federal entity.
- e. Be accorded consistent treatment.
- f. Be determined in accordance with generally accepted accounting principles.
- g. Not be used to meet cost sharing or matching requirements of any other federally-financed program (without prior approval from the State).
- h. Be adequately documented.

Below is a high level cost items matrix with six columns. The first four columns identify cost items and various entity types. The remaining two columns are reserved for the specific Uniform Guidance sections and DOL exceptions (if applicable). It should be noted that the matrix is intended to be used as an initial tool or quick reference guide, rather than a final authority for making a determination of whether or not a cost would be considered allowable.

The legend key below along with the definitions is intended to help the user understand whether a cost item is allowable or not.

Legend Key	Legend Key Definition
A	Allowable
AP	Allowable with Prior Approval
AC	Allowable with Conditions
U	Unallowable

<b>Legend Key</b>	<b>Legend Key Definition</b>
NS	Not Specified in the Uniform Guidance

If a cost item is denoted with two or more legend keys, users should delve further into the various information sources as they may provide the additional clarity that is needed. If this effort does not provide the necessary information, then the project manager or Regional Advisor should be contacted. The “NS” legend key means that information may not be readily available. In this event, other information sources should be sought out before attempting to contact the project manager or Regional Advisor.

The “AP” legend key means that, in some instances, prior written approval will be required. In this event, the user should adhere to the Uniform Guidance Section 200.407, DOL exceptions Section 2900.16, and contact their project manager or Regional Advisor.

## **APPENDIX D**

### **Administrative Requirements**

Awardees must adhere to the WIOA Title I requirements, the Office of Management and Budget's (OMB) Title 2 Code of Federal Regulations (CFR) Part 200: Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards; Final Rule [Uniform Guidance](#) and OMB's Title 2 CFR Part 2900 (DOL Exceptions).

#### **A. Monitoring and Audits**

Awardees will be monitored and/or audited by the State, in accordance with existing policies, procedures, and requirements governing the use of WIOA funds. Awardees are expected to be responsive to all reviewers' requests, provide reasonable and timely access to records and staff, facilitate access to subcontractors, and communicate with reviewers in a timely and accurate manner.

#### **B. Record Retention**

Awardees will be required to maintain project and fiscal records sufficient to allow federal, State, and local reviewers to evaluate the project's effectiveness and proper use of funds. The record retention system must include both original and summary (e.g., computer generated) data sources. Awardees will retain all records pertinent to this contract for a period of three years from the date of final payment on this contract [Uniform Guidance](#).

#### **C. Reporting**

Awardees must have the capability to report expenditures, participant, and outcome data to the State, in a manner that is timely, thorough, and accurate. Expenditures must be reported monthly through the State's required reporting system: (CalJOBS<sup>SM</sup>). Please review [WSD16-13](#) - Monthly and Quarterly Financial Reporting Requirements. The State will provide CalJOBS<sup>SM</sup> training upon request. See Appendix E for the State Reporting System Hardware and Software Requirements.

Awardees will be required to submit monthly financial reports by the 20<sup>th</sup> of every month and program narrative reports monthly for the first quarter and then quarterly thereafter. Upon closeout of the project, a "Final Report" will be required. The Reporting templates will be provided to awardees by the EDD project manager and CWDB staff.

## APPENDIX E

### State Reporting System Hardware and Software Requirements

VOS v16.x

#### Workstation Requirements

System	Hardware Required	Software Required	Connectivity
<b>Client Workstation</b>	<p><b>Processor:</b> PIII or higher</p> <p><b>Memory:</b> 2 GB of RAM or higher</p> <p><b>Display:</b> Super VGA (800 X 600) or higher-resolution video adapter and monitor</p>	<p><b>Operating System:</b></p> <p>Microsoft Windows 7</p> <p>Macintosh OS X v10. 4.8 (Panther) or higher</p> <p><b>3rd-Party Software (described after table):</b></p> <p>Meadco ScriptX ActiveX 7.4/ Object<sup>1</sup>/ Microsoft Silverlight 3<sup>2</sup></p> <p>DynamSoft HTML5 Document Scanning</p>	<p><b>Minimum:</b></p> <p>Dedicated broadband or high speed access, 380k or higher</p>
<b>Staff/ Administrator Workstation</b>	<p><b>Processor:</b> PIII or higher</p> <p><b>Memory:</b> 2GB of RAM or higher</p> <p><b>Display:</b> Super VGA (800 X 600) or higher-resolution video adapter and monitor</p>	<p><b>Operating System:</b></p> <p>Microsoft Windows 7</p> <p>Macintosh OS X v10. 4.8 (Panther) or higher.</p> <p>JAWS for Windows software for visually impaired access (optional)</p> <p><b>3rd-Party Software (described after table):</b></p> <p>Meadco ScriptX ActiveX 7.4/ Object</p> <p>Microsoft Silverlight 3</p> <p>DynamSoft HTML5</p>	<p><b>Minimum:</b></p> <p>Dedicated broadband or high speed access, 380Kbps or higher</p>

System	Hardware Required	Software Required	Connectivity
		Document Scanning	

### Supported Browsers:

For best results, use a current version of one of the following supported browsers:

-  [Microsoft Internet Explorer 11 or higher | Download Latest Version](#)
-  [Mozilla Firefox 30 or higher | Download Latest Version](#)
-  [Apple Safari 5 or higher | Download Latest Version](#)
-  [Google Chrome 36 or higher | Download Latest Version](#)
-  [Opera 22 or higher | Download Latest Version](#)

### Client Workstations (Third-Party Software)

As indicated in the preceding table, certain freely-available third-party software is required on client workstations to maximize all of the features in the Virtual OneStop suite.

Name	Version	Version	Installation/Download
VOS	v14.0	v15.3	-
Adobe Acrobat Reader	v8.0+	v8.0+	<a href="#">Get Adobe Reader</a>
Adobe Flash	v11+	v11+	-
Meadco ScriptX	v7.4+	v7.4+	<a href="#">Meadco ScriptX</a>
Microsoft RSClientPrint for SSRS reports	-	-	<p>Detailed instructions for installing the 2012 MS RSClientPrint control can be copied from the following site:</p> <p><a href="#">MS RS Client Print for SSRS Reports</a></p>

Name	Version	Version	Installation/Download
			Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine. A user with permissions would opt to install when prompted by their browser to download the Active X control.
DynamSoft HTML5 Document Scanning	-	-	<u>DyamSoft</u>  Download DynamicWebTWAINHTML5Edition.exe

**Meadco ScriptX 7.4:** ScriptX provides for the closely controlled printing of HTML- and XML-based documents. It is a client-side ActiveX object used throughout Virtual OneStop to ensure the consistent formatting and appearance of printed output from any local or networked printer, regardless of the printing attributes already set in that computer's browser. It temporarily controls printer settings such as margin sizes, header and footer information, page numbering, and whether to print in Landscape or Portrait mode. The control is in place at the time of printing a browser window or framed content; all settings are automatically restored to default settings and no permanent changes are saved. ScriptX v7.5 or later is required when working with Internet Explorer 8 on Windows XP, Windows Vista, and Windows 7.

**Adobe Acrobat Reader 11:** Certain documents (such as User Guides and Quick Reference Cards) are available to our customers on our external OPC website as Adobe Acrobat files. They are also frequently attached as some of the resources that are available on the Staff Online Resources page in Virtual LMI. These files can be read with Adobe Acrobat Reader 7.0 or higher; however, it is recommended that this recent version of Adobe Acrobat Reader be installed. Acrobat Reader is free browser software.

**Adobe Flash 11:** The Training/Learning Center Videos for Virtual OneStop can be watched with Adobe Flash 9 or later, although we recommend the current version 11. Adobe Flash is free browser software. The only limitations may be with client firewalls and security obstructions that may keep the videos from functioning correctly.

**RSClientPrint** is a Microsoft ActiveX control that enables client-side printing of Microsoft SQL Server Reporting Services reports. The ActiveX control displays a custom print dialog box that shares common features with other print dialog boxes. The client-side print dialog box includes a printer list for selection, print preview option, page margin settings, orientation, etc.

Downloading and installing the ActiveX control RSClientPrint.cab requires administrator permissions on the client machine.

**VOS uses CKEditor version 4.3.1**

The version 14.0 Virtual One Stop (VOS) is currently using version 4.3.1 of CKEditor. CKEditor is used within the VOS system to allow you to use common word processing features in the system with such things as job descriptions, resumes and cover letters.

CKEditor supports all popular browsers including Chrome, Firefox, Internet Explorer, Opera and Safari. However, Internet Explorer 7 (or lower) and Firefox 3.6 are no longer supported (CKEditor 4.1.3 was the last version to support Internet Explorer 7 and Firefox 3.6).

It should also be noted that while the latest version of Safari is actively supported, earlier versions may have compatibility issues.

If you are using these unsupported browsers versions, your browser should be updated to avoid compatibility issues.
