

Regional Plan Implementation Summary
Regional Planning Unit (RPU): Orange
LWDBs within RPU: Orange, Santa Ana, Anaheim

Regional Plan Goals
<p>This OC Regional Plan is focused on constructing a regional training, education, and workforce architecture that aligns with the Orange County regional labor market and California State Plan policy objectives. The overarching Orange County regional plan vision is a large-scale movement that will address industry identified skills gaps, employment, education, workforce, economic development, and poverty challenges in the region through assessment and strategic alignment of the local workforce system partners' regional goals, policies, practice, and service delivery. The plan seeks to build sector strategies, support career pathways/regional sector pathways, and foster strategic regional partnerships during the 2017-2020 program years by working toward the following overarching regional goals:</p> <ul style="list-style-type: none"> • Targeted Meaningful Business and Industry Engagement • Improve access and quality of Service Delivery • Strategic regional alignment, and; • Positive outcome <p>The region plans to accomplish these deliverables through their Regional Plan Implementation initiatives by:</p> <ul style="list-style-type: none"> • Growing the four (4) Orange County region industry sectors to ensure industry and business from the demand sectors are engaged and leading efforts. • Advance the lives of red-zone residents by growing and strengthening the OC region workforce and education partnership and leverage resources.
Regional Plan Implementation Project Focus
<p>RPI 1.0 Project Focus:</p> <p>Orange RPU focused on three regional plan areas:</p> <ul style="list-style-type: none"> • Establishing priority Sector Partnerships. • Professional Development and Capacity Building facilitated by the Regional Organizer (RO). RO designed, delivered, and helped structure a comprehensive series of capacity-building activities. • Policy Alignment facilitated by the RO. RO worked with the three (3) WDB Directors and key staff to implement and refine a common set of policies to support Regional Plan Implementation, including priority sector partnership building. This alignment process was built on and completed alignment efforts initiated under the region's Slingshot initiative.
<p>RPI 2.0 Project Focus</p> <p><i>Did not apply for RPI 2.0 funding</i></p>
